LOA: 36'3"

Beam: 12'2"

Draft: 3'

Cockpit: 98 sqft

Price: \$75,000 nego, price was suggested by manufacture and local broker based on comparable models sold

The 36' Delta is a rugged offshore fishing machine and offers great visibility for an express boat with its raised helm. This boat was extensively updated in '03 and has been continued to be maintain by captains and owners. Fresh bottom '13 less than a year old with all running gear painted. Motors have been check and gone through and have many hours of life before major service is needed. This has been a proven fish raiser and excellent all sea condition stable platform. The boat handles the Texas head sea very well and is very stable in a following sea. The boat has a smooth ride the through the chop with minimal shudder. I have been extremely impressed with this boat. Only reason that I am selling is to move up.

ACCOMMODATIONS: New upholstery 2013 Sleeps 4. Master stateroom is forward with double berth, head and shower. The salon has tremendous head room. There is a circular large dinette that converts to a double berth on the port side. On the starboard side is the galley with double stainless steel sinks, overhead cabinets and marble texture counter tops. One berth above the head.

GALLEY: Norcold refrigerator w/freezer Princess 2 burner elec stove Microwave oven Water heater Pressure water system

ELECTRONICS & NAVIGATION: Raytheon ST auto pilot '03 Compass Furuno depth sounder Raytheon RL80CRC 2013' color 10" radar plotter w/smart sensor WAS antennae and 4kW Radome '02 Furuno color bottom machine '03 (2) Icom VHF Stereo TV

ELECTRICAL SYSTEM: (2) Batteries 40amp Automatic battery charger Dockside electrical cable 9kW generator '03

DECK: Very nice helm layout with a centerline helm and single captain chair and L-shaped seating to the port and aft with storage below. Danforth anchor w/lines Bow pulpit & rails Coast Guard safety package Freshwater deck wash down system Navigation lights Search lights Electric windlass Strata Glass bridge enclosure '02 Helm chair '03 Transom fishbox '03 Built in drink cooler '03 Painted cockpit and bridge deck '03 Replaced cockpit floor and hatches '03 Cockpit coaming '03 Seat cushions '03

ENGINE & MECHANICAL: Cruisair reverse cycle A/C new 2013, Bilge blowers, Bilge pumps, Bridge controls Engine alarm Automatic halon fire extinguishing system Fresh water cooling system Elec holding tank head Hydraulic steering Trim tabs Nibral props '03 Stainless steel exhausts '03 Raw water pumps '03 Dripless shaft seals '03 Turbo chargers '03

FISHING EQUIPMENT: Fish box molded into transom Lee double spreader outriggers 6 rod rocket launcher on aft of bridge deck Center rigger 6 rod holders in gunnels Lots of tackle storage

OTHER FEATURES: This boat has a walk in engine room with access from the cockpit. It has 5'10" of overhead in the engine room which is unheard of for a 36' boat. Replaced trim tabs with larger tabs and auto tab controls in '03. Complete engine overhauls by Performance Diesel in '03.

ADDITIONAL REMARKS: What sets the 36 SFX Delta apart from other sportfishers is her unique command raised bridge. There are only 2 steps up to the bridge. She has a sleek Euro style appearance. With her 23 degree deadrise aft and unique strake design she does as well in a following sea as she does in a head sea.

Exclusions

Owner's personal belongings.
