Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Owner's Comments

Purchased from Berthon, this two owner boat has been lovingly maintained at the end of the owner's garden.

Maintained in tip top condition, the boat has been continuously upgraded to include a 2.8 kva mains inverter, additional batteries, stainless steel microwave, new autopilot system, full windy winter cover with heaters and dehumidifiers.

This must be one of the best Windys on the market.

Extras above standard configuration

- Hard top with electronic sun roof.
- Teak laid decking in the cockpit.
- Teak laid decking on the bathing platform.
- Stainless steel "dinghy" bar on bathing platform.
- Vetus bowthruster.
- Blue hull stripe.
- Blue Sunbrella cockpit upholstery.
- Dark blue anti glare dash finish.
- Raytheon RL72RC Colour chart plotter.
- Raytheon radar scanner.
- Raytheon ST6000+ Autopilot (upgraded).
- Sailor VHF/DSC Radio.
- Eberspacher cabin heating.
- Cream leather saloon upholstery.

- Extra lights in cockpit.
- Double socket in engine room.
- Automatic fire extinguisher in engine with control in cockpit.
- Two additional 110 amp hour batteries.
- 2.8 kva inverter.

Construction

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology. The latest technological innovation is the Wintec hull concept, which gives improved performance, greater strength and reduced noise throughout the vessel.

The hull is reinforced with advanced multi axial glass fibre matting and Divinycell. This allows a reduction in the boats weight of up to 20% whilst offering noticeably improved stability.

All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies construction principals and more advanced construction production equipment, resulting in more cost – effective and quality oriented processes in – house. But above all, Windy is a “Boat Builder” and not a manufacturer of boats, a philosophy which characterises their production staff and all those within their distribution network.

Lay Up Weights (Reinforcement Only):

- Deck - 9.05oz/ft² (2.9kg/m²).
- Topsides – 12.8oz.
- Chine – 21.6oz/ft² (6.6kg/m²).
- Bottom – 19.3oz/ft² (5.9kg/m²).
- Keel – 37.4oz/ft² (11.4kg/m²).
