ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

Boarding is easily accomplished by stepping onto the gunwale amidship and stepping on the inner step onto the main aft deck. Looking aft toward the transom is a deck hatch allowing access to the bilge, aft of the deck hatch and inside on the transom is a pull out bench seat, a built in 55 gallon transom live well and further aft are the two Yamaha F250 hp outboard engines. On the port side of the transom is a transom door leading to the platform and a mountable swim ladder, next to transom door is a fresh water shower. On both port and starboard gunwales are locking rod storage. Looking forward is the console with separate seating aft of console looking forward and collapsible seating for looking aft. The console helm station has two Raymarine 12" screens, VHF, autopilot, and all operational gauges and switches. Above the console is a hardtop with lasinglass on each side and forward. To the starboard side of the console is storage along with in deck storage. On the port side of the console is the access door leading to the batteries, battery charger, and generator. Outside the console, in the deck is the large fish box. Forward of the console is an "L" shaped lounge seating area, it wraps around from the front side of the console to starboard to the forward bulkhead. On the port side of the forward bulkhead is the cabin door, down three steps and you are inside the well finished cabin. On the port side is the Microwave, refrigerator/freezer, stove top, sink, stereo, A/C thermostat, AC/DC breaker panel. Looking aft is a single twin size bunk, to the starboard is a door leading to the head/shower/ vanity with Mirror and sink. Just forward of the enclosed head is a TV with DVD player, a separate hanging closet, and looking forward is twin "V" bunks for four and a dinette.
