## Overview

---

The Pearlsea 33 Open is a four-berth sport cruiser with a very interesting layout. The conventional salon and dining area arrangement is divided by a folding door that turns the salon into a sleeping cabin with full amenities and comfort at night. This brings out the advantage of a two-cabin layout providing unimpeded use of the galley and head from both cabins. The high volume that has been achieved with the design of the mid cabin provides comfort and standing room in all areas, even for those of above average height.

The exceptional breadth of the cockpit provides a large sitting area around a table that can be lowered to the level of the settee bench to create a berth that can be used as sleeping space, providing an additional 2 berths. The cockpit also features a 50-litre refrigerator and a sink with hot and cold water. The helm station provides excellent overview, an ergonomic command layout and an adjustable pilot seat.

## Basic Information

---

**Category:** Cruiser

**Sub Category:** Express

**Model Year:** 2011

**Year Built:** 2011

**Country:** Croatia

## Dimensions

---

**LOA:** 33' 0" (10.06m)

**Beam:** 11' 0" (3.35m)
