SPECIFICATIONS

Overview

THIS IS THE ULTIMATE ITALIAN OPEN BOAT.

Baia One model is the open cruiser that can be enjoyed all day long until the last ray of light. 43 feet in length, it features a 20 squared meter terrace over the sea, the absolute largest in its category.

It has an oversized cockpit: a large versatile and modular space, with wet bar and table with sofa. Extremely comfortable lounge chairs that convert in to cockpit sun pads can be placed anywhere in the cockpit.

Thanks to the double opening at the stern, the cockpit and platform become a single environment, providing easy access to the water and great for those who enjoy diving.

The carbon windshield is incredibly innovative, ultra light and resistant for a 360° view. Inside, One also amazes for its design, the high quality of its interiors and the total privacy. The very modern and well-lit living area is divided into two areas: the sitting area with a double L-shaped sofa, which can also serve as a guest bed, plus a bar area with fridge and microwave. The spacious and well-furnished cabin includes a separate bathroom and shower with its own entrance.
