Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Salon

The salon is entered by either a sliding door amidship starboard side or by the companionway going forward from the port side of the covered sundeck. If you enter from the starboard side, you are at the inside helm station, with full instrumentation & engine controls, and storage cabinets below. The salon is accented with carpet throughout, countertops, a moveable cocktail table, and two counter stools. The space is luxuriously appointed with a comfortable L-shaped settee which converts to a queen berth.

- JVC TV
- Weems & Plath clock and barometer

Galley

Descending three small steps, the fully equipped galley is to port with a four-person dinette to starboard.

- 2 Two burner cooktops for a total of 4 burners
- Double stainless steel sink Electric stovetop with 4 ceramic burners
- 2008 Norcold refrigerator/freezer, using either 120-volt AC or 12-volt DC
- GE Spacemaker II microwave
- 2012 U-Line icemaker

Master Stateroom

The master stateroom is aft of the salon, down three steps, with a centerline queen berth. An counter with lockers below, and a hanging locker, are on the port side.. A nightstand, chest of drawers, and hanging locker are on the starboard side. The head is also on the starboard side with a shower stall.

Guest Stateroom

Continuing forward one enters the guest stateroom with V-berths, hanging lockers and a private head with shower.

Sundeck

A four-step companionway at the aft end of the salon leads up to the spacious sundeck, which has a hard cover, comfortable seating and rail-mounted weather cloths an ideal spot for outdoor entertaining and alfresco dining. Two steps down on both sides of the sundeck provide access to the rail-protected side decks leading to the bow. A ladder from the sundeck descends aft to

the cockpit.

Flybridge

The flybridge is reached by a four-step stair on the port side of the sundeck, adjacent to the companionway from the salon. The flybridge has two helm chairs and a large L-shaped seating area to starboard, with lockers below the seat cushions.

Electronics

- 2004 10" Northstar 6000i GPS - Lower helm
- 2004 8" Northstar 6000i GPS- Upper helm
- Roberston AP300X Auto pilot's - Upper and lower helm
- Horizon Depth sounder's - Upper and lower helm
- 24 Mile Radar's - Upper and lower helm
- Standard VHF's - Upper and lower helm

Cockpit

The handy cockpit features storage lockers both port & starboard, access to the lazarette where there is a large storage space. The swim platform, with a swim ladder permanently attached, is one step down through a door in the cockpit transom. The swim platform is particularly useful for boarding the boat from low-lying docks and dinghies.

Electrical System

- Five 12-volt batteries- Starting batteries 2013
- Battery charger
- Alternators
- 12-volt DC and 120-volt AC Lighting
- Switchboard: Portside aft in salon
- Battery parallel system
- Hubbell shore power cords with 30 & 50 amp connections
