SPECIFICATIONS

Overview

The Cranchi 54HT made its debut at the Cannes Boat Show and was unveiled to the US market at the Miami Show in February of 2014. The flybridge version of this yacht was introduced last year and now there is a version for those of us who don't like to wait for draw bridges!

This yacht boasts three comfortable staterooms with a crew cabin! She has a full beam master stateroom and a VIP that makes guests feel like the owner.

The ample couches in the salon create a very nice entertainment area adjacent to the galley. There is room for a tender in the garage, making it easy for island exploration.

This yacht is made for those who enjoy the sun with three different areas to enjoy some rays - the bow, the aft cockpit as well as on the hardtop. This yacht is made for entertaining...

Options included on this model include:

- Cockpit control station
- Hydraulic Swim Platform
- Radar and GPS
- Teak Cockpit and swim platform
- Engine room and rear view camera
- Dedicated Wine Storage Area
