SPECIFICATIONS

Overview

Lovely example of the Fisher 'Super' 46 concept with extended rig allowing for surprising performance under sail. Originally commissioned for an astronaut, although in his ownership, her travels were less extensive.

Basic Information

Category: Motorsailor

Sub Category: Cruising Sailboat

Model Year: 1977

Year Built: 1977

Country: United States

Dimensions

LOA: 54' 0" (16.46m)

LWL: 40' 0" (12.19m)

Beam: 15' 0" (4.57m)

Min Draft: 6' 6" (1.98m)

Speed, Capacities and Weight

Displacement: 49998.63639898 Pounds

Water Capacity: 216.092738536 Gallons

Holding Tank: 47.815141412 Gallons

Fuel Capacity: 660.43013 Gallons

Accommodations

Total Cabins: 3

Total Berths: 6

Total Heads: 1

Hull and Deck Information

Hull Material: GRP

Deck Material: GRP

Hull Configuration: Long Keel

Hull Finish: Stainless Steel

Hull Designer: Wyatt & Freeman

Engine Information

Engines: 1

Manufacturer: Ford Lehman

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Owner's Comments

The flagship of the Fisher range is a true world cruiser capable of the most arduous passage in safety and comfort. The wheelhouse provides lots of space and retreat from hot sun or cold rain.

Originally this yacht was commissioned by the astronaut Charles Pete Conrad in which he cruised the Pacific. Then to another own who sailed with his family from Los Angeles to Virginia. The boat was then decommissioned and extensive refit began in 1990 and finished in 2001 when I became the owner. I have sailed this boat around the Caribbean and up the East coast of the USA with my family. My age has caught up and I am ready to pass the boat on.

During the refit the modifications to this boat included a bowsprit designed by Wyatt and Freeman, conversion to a cutter rig, the aft cabin being made into a double, and a new galley.

The boat was Awlgrippied including the mast and still shows bright. Also air conditioning, generator, new wiring and plumbing were replaced.

Construction

Hull, Deck & Superstructure Construction:

- Heavy duty hand laid GRP.
- Double skin GRP bulwarks; balsa core deck.
- Teak laid deck in cockpit.

Keel & Rudder:

- 10 tons encapsulated cast iron keel.
