SPECIFICATIONS

Overview

Motivated two boat owner wants to move up !!!

A good selling boat for Bertram, the 43 Convertible is still highly regarded with experienced anglers for her rugged construction, rakish good looks and superb open water performance. She was built on a Deep Vee hull with cored hull sides and a solid fiberglass bottom, and with nearly 15 feet of Beam. The 43 is a spacious boat inside with Galley up and 2 staterooms down. The cockpit is reinforced for a fighting chair and also features a transom door, cockpit engine room access.

Additional feature of note include side dumping exhausts, good service access to engines, molded tackle centers in cockpit and a large wrap around flybridge helm console with plenty of seating. Her Twin 6V92/ 535 HP Engines cruise her at 23-24 knots with a top end in the high 20's .

BROKER COMMENTS:

Here's your opportunity to own the very popular 43 Bertram Convertible. Owner is moving up and wants her to be the next one sold. If you are looking for a strong proven sport fisherman - you want to see True Love!

VESSEL WALKTHROUGH

This beautiful and completely upgraded 43 features the new style two-stateroom layout with galley up and a light maple interior. From floor to ceiling, she has been modernized with new soft goods, custom blinds, wall coverings and lighting. Forward is the master stateroom with centerline queen size berth, cedar lined hanging locker, storage drawers, and updated soft goods. Directly aft is the master head with ensuite access and stall shower starboard side, plus large storage locker. Aft down the companionway one will find the guest stateroom with upper and lower berths. A few steps up, one will find a galley with Corian countertop, under counter Sub-Zero refrigeration lots of storage, plank maple sole and open access to salon. Salon features a large queen convertible sofa, hi-lo table and couch to starboard, plus indirect lighting, custom maple wood blinds, new carpet and updated entertainment center. There is a hinged door aft to the cockpit and the more desirable engine room access from the cockpit. She has had recent bottom and cockpit paint and striping (4/11), fresh engine rebuilds, and a plethora of other upgrades and updates that can be noted by year in the specs.
