MANUFACTURER PROVIDED DESCRIPTION

The Regal Commodore 2860 is high-performance cruising at its luxurious best. The remarkable FastTrac Hull offers outstanding speed, excellent fuel economy, and a quick responsiveness and agility not found elsewhere in the size range. The cockpit features a walk-through transom door, and a refreshment center with a sink and a large storage locker. The U-shaped aft seating area features a removable aft seat and a double-wide helm seat with a pop-up leaning bolster. The helm area features a wood steering wheel, compass, depth sounder, burl wood dash panel, plus molded-in steps providing easy access to foredeck. With a variety of twin V-6 power options, owners will experience a fast, smooth ride even in rough seas, thanks to Regal's innovative FasTrac hull. The spacious aft cabin provides additional storage behind the head rests, in the overhead locker and the cabin hanging locker. The cabin maximizes space, with a generously sized dinette, large forward berth with privacy curtain, hanging locker, and TV shelf. The galley is fully appointed with an electric stove, microwave, stainless sink, and Corian countertop. The refrigerator / freezer is tucked beneath the forward berth, creating an large under-galley storage space.
