DETAILED INFORMATION

Walkthrough

Welcome to TRISARA, an exceptional 130' Westport with recent upgrades that give her the equipment, décor and feel of a new yacht. Entering from starboard one will reach the formal foyer with a beautiful marble floor. Going aft from the foyer one will reach a formal dining area for 10 and then a spacious main salon with beautiful furnishings, L-shaped settee, two comfortable chairs with ottomans and additional seating. The main salon and dining area have ample storage and serving areas. TRISARA has beautiful well-kept cherry wood with granite countertop and state of the art entertainment with new HD TV, Kaleidescape, Blue-Ray and audio equipment throughout.

Forward to port is the state of the art galley with professional appliances including a pop-up vent for the six burner stove, ample storage and granite countertops, and features ample seating in the U-shaped dinette nook that is perfect for a casual breakfast or lunch. Further forward is the ondeck master stateroom with centerline king size bed with new high quality mattress and upholstered headboard. The master has a desk, settee, ample storage, drawers and walk-in closet. The master his and her bathroom has marble tile, whirlpool bath, etched glass-enclosed shower, and additional drawers and closets. Mid-ship stairs lead down to the four quest staterooms located just off the foyer equipped with laundry facilities. Below one will find two VIP cabins with king berths and two quest cabins with twin berths. Each stateroom is elegantly decorated and has an ensuite head with enclosed shower. All décor and mattresses are new. From the formal fover one will go up a spiral set of stairs to the upper landing that will take one aft to the sky lounge or forward to the pilothouse. The pilothouse has raised semi-circular seating for all guests to enjoy the view while cruising, updated navigation equipment, captain's office and communications. There are very nice walk-around side decks with pilothouse entry doors, and a staircase centerline going forward down to the foredeck where there is a circular seating area (nook) with excellent visibility while cruising.

Aft from the upper landing one will pass a day toilet and enter the sky lounge where you will find a roomy area with lots of light, bar with bar stools, L-shaped settee and comfortable seating with ottomans. This is a beautiful area for entertaining or watching movies on a large HDTV that swings out for better viewing on the settee. Going aft from the sky lounge through a large sliding door one will enter the upper aft deck to find an L-shaped settee with chairs and table for dining. To starboard are steps leading from the aft deck to the upper deck. Forward of that is a 6-8 person Jacuzzi hot tub. From this area one can go up a set of stairs to the sundeck or walk forward either side on the walk-around side decks. One can reach the boat deck from this area as well. The sundeck features a large bar with four stools that is covered with the custom hardtop, two built-in seating areas forward with storage under, two beautiful teak tables, wet bar, drink refrigerator, large barbeque and a large sun area with adjustable chaise lounges. One can also enter the main salon through double doors from the beautiful and spacious aft deck that features a large teak circular table that seats eight guests and built-in settee with table and occasional

chairs to port and starboard that can also be used at the table or the settee area. There is a full walk-behind bar to port and forward equipped with refrigerator, ice maker and storage for drinks and serving. The bar has 3 bar stools and large TV behind. All is protected by the aft deck overhang. From the aft deck one can go up to the upper deck and sky lounge. From the aft deck one can go down a set of stairs either side to a large swim platform that makes for easy access to the water for swimming or water sports. The aft deck also gives one access to the passerelle for easy access to shore and to the walk around deck forward.
