Vessel Description

The 306 proves that owners can have a comfortable family cruiser in a model less than 30 feet in length. Entry into the cabin features custom installed hinged door. The 10-foot 9-inch beam boasts a spacious salon, as well as two private staterooms, one forward and one aft, a large head, a full-size galley, and even a nav station for charting the course. Custom cabinets are included in the salon and the navigation station. Eight opening hatches and ports provide plenty of light and the headroom is fantastic. The large beam also gives the captain and crew plenty of room in the cockpit. Deep, angled coamings make any passage a safe and comfortable one. The cockpit table with folding leaves makes entertaining easy. Two integral stern rail seats provide guests the best seats in the house. Standard features include Edson's rack and pinion steering, Lewmar self-tailing winches, a Furlex headsail furling, the B&R backstayless rig which Hunter is known for, and a Yanmar 18-horsepower inboard diesel. Hunter's famous Cruise Pac means this boat is ready for cruising the day it's delivered.

You will not find a cleaner or better maintained Hunter 306 on the market. Lightly used by two recent owners.
