Overview

This is a semi-custom, Atlantic Boatworks Duffy Downeast Cruising Yacht. She is built as tuff, safe and seaworthy as her commercial sister ships used as lobster and offshore fishing boats throughout the northeast with the classic lines and luxurious interior that Duffy Downeast yachts are known for. Her accommodations include two cabins, salon, head with separate shower and galley. A Northern Lights generator and powered by a fuel efficient single 375HP Volvo diesel with low engine hours and a bow thruster for maneuvering in tight spots make this a must see vessel.
