Overview

Generator, Air Conditioning and Triple Axle Aluminum Trailer

The Glastron GS 279 is a feature-packed 27 foot cruiser and is the largest boat Glastron manufactures. Glastron is known for runabouts and the 279 was designed to handle easily like the company's smaller boats. It also benefits from advanced design and computer-assisted engineering. One of the great features is that the 279 was designed to be trailerable without the need for special permits.
