## Overview

The Reliance 44 has become legendary for their classic lines, well-constructed offshore capabilities, hull strength, great interior accommodations and plentiful ventilation. The Reliance 44's traditional lines, sloop rig, clear decks, and safe interior make her look like she'd go places. Voyager, has definitely gone places, having just completed a 14 year circumnavigation she is set up and completely equipped to do it again. This vessel has been continuously maintained and upgraded by her experienced Engineer/Captain. She comes equipped with too many accessories, spares and customized features to list. If you are in the market for a serious blue water world cursing sailboat, put this one on the must see list.

Life's uncertain, go sailing first! She's ready, are you?

### Owner's Comments

Reliance 44 sloop, "Voyager". Just finished a 14 yr. circumnavigation and is completely equipped to do it again. Long, narrow and strongly built with a deep "V" hull, modified full keel and barn door rudder, makes Voyager a no-nonsense fast and sea-kindly yacht. An aft cockpit layout with hard dodger/bimini, raised cabin top to mast, then flush deck fwd of mast, makes "Voyager" a safe and comfortable vessel, at sea. The interior is, inviting and comfortable with all the creature comforts such as a powerful refrigeration system, custom crafted mattress for the V-berth and a computer-centric nav station/office. The solar panels, (5), KISS wind generator & a 210A engine driven alternator cover all the power requirements. Propulsion is via the venerable, "work-horse", Perkins 4-236, 82 hp diesel connected to a 4-blade, feathering propeller, providing the most efficient drive system under power and low drag under sail. The rig is simple with a slab reefing mainsail and roller furling Genoa. A quick release inner forestay provides heavy weather capability and a clear foredeck when not needed. "Voyager" has been loved and maintained by a knowledgeable Engineer/Captain. She comes completely equipped with too many spares to list including a complete set of engine accessory, spares, making her ready to go back to blue water again.
