Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Broker's Comments

The J/111 is to become a truly iconic crossbreed between sportsboat and IRC yacht. Replacing the ethos of the J/125 and the J/105 they are proving to put a grin on all the owners faces and easy yachts to sail are very popular for families to sail.

Owner's Comments

We have enjoyed owing and racing this great yacht and she is our third boat from the J Boats family. We have had great success racing her with the JOG fleet and some of our results in the 2012 season include:

1st St Vaast, St Peter Port, Cowes – Poole, Poole –Cowes, Owers

3rd Cowes-Yarmouth

4th Alderney – Cherbourg

And overall 2nd in the Cat 3 Series and Winners of the Cat 4 series

In 2013 we did less owing to other commitments but still we were

1st Yarmouth-Cowes

2nd Cowes – Cherbourg

4th St Vaast, Cowes, Lymington

Manufacturers Comments

Every now and then a new sailboat comes along that fulfills a real need in the market. Many of them have been J-Boats. Hot off the drawing board, the J/111 is a sleek, speedy, one-design 36 footer that is the ultimate day sailing, racing and weekend cruising sailboat.

J/111 is an easy-to-handle, comfortable sailboat that accelerates quickly, slices to windward at 7+ knots and hits double-digit speeds downwind. Performance to date in a wide variety of sailing conditions has been nothing short of remarkable.

Construction
