## Overview

---

1. If you are looking for the best maintained 68 plus foot Pilot House on the market, look no further....This is the ultimate owner operated vessel, she will handle everything thrown at her and will dock like you were driving track drive....The owner, an ex-Coast Guardsman, both on the sea and in the air has maintained Life's Voyage to the highest of standards. She looks brand new and is the pride of the dock where ever she is. LIFE'S VOYAGE II was first commissioned as a new vessel in March 2009. Equipped with a complete hydraulic package that includes bow and stern thrusters, stabilizers, windlass and davit, she is very easy to operate. There is even a third docking station located on the aft deck. Dual generators, powered by the very fuel efficient Series 60 MTU's, fuel polishing system, wide walk-around decks and custom sturdy stainless steel railings all add to her desirability. LIFE'S VOYAGE II engine room is a yachtsman's delight, with easy access around the engines and easy direct walk in access from the aft deck. The following is the list of just the major works performed from 2012 thru 2014. **LIFE'S VOYAGE II - Major refits, upgrades and replacements Spring of 2014**

1. Complete 1000 hour service performed on MTU 60 Series motors
2. Complete service of both generators including new heat exchangers and replacement of insulation
3. Complete service of black water system including professional flushing and cleaning of holding tank
4. Hydraulic steering pump rebuilt, system flushed, filters changed and new fluid added
5. All bilges and engine room painted and detailed including unexposed areas
6. New dripless shaft seals
7. New cutlass bearings
8. Replaced worn exterior teak planking where necessary
9. New exterior cushions on aft deck settee
10. New exterior décor pillows
11. New exterior cushions on fly bridge L-lounge
12. New exterior cushions on fly bridge settee
13. Exterior windows re-caulked where necessary
14. New large custom sun pad with built in head pillow
15. New custom weather cover for sun pad
16. New upgraded carpeting and padding throughout the interior ( exception is the galley/pilothouse & heads)
17. New custom sofa with storage in salon
18. New custom ottomans (2) with storage in salon
19. New décor pillows for salon
20. New fabric on swiveling barrel chairs (2) in salon
21. New 55" Samsung Smart TV (Internet Ready) in salon

22. New interior window blinds in the salon
23. Galley/Pilothouse wood flooring professionally stripped, sanded and refinished
24. New salon to galley/pilothouse stair treads
25. New custom granite countertop in galley
26. New fabric on galley/pilothouse settee cushions
27. New interior window blinds in galley/pilothouse
28. New interior custom blinds for forward and side pilothouse windows (white on the interior side and black on the exterior side)
29. New vinyl finish added to the exterior of pilothouse forward windows to enhance the esthetics
30. All interior wood professionally refinished where scratched or marred
31. Air Conditioning system completely serviced, installed new upgraded manifold and plumbed to provide a backup pump
32. Individual Air Units cleaned and serviced
33. Replaced puffer tank for Head Hunter fresh water pump
34. Disassembled, inspected, serviced and lubricated Naiad Fin Stabilizers
35. Serviced and recertified engine room fire suppression system
36. Safety inspection of vessel for fire code
37. Replaced fresh water filter
38. Inspected all fittings and hoses and replaced any corroded fittings or worn hoses
39. Replaced exterior courtesy lights with new LED lights
40. Added new LED courtesy lights to windlass and bow area
41. Added new LED pin lights to custom radar mast
42. All exterior bright work cleaned and polished
43. Exterior teak cap rail stripped, sanded and re-varnished
44. Extensive inspection and repair of gel-coat and fiberglass cracks. Professionally repaired and refinished where needed with matching gel-coat or paint
45. Six new light weight inflatable fenders, four are 12" X 27" and two are 18" X 42"
46. Removed and re-caulked around fly bridge seating
47. Replaced sliding salon/aft deck door locking-latch mechanism
48. Serviced and re-certified life raft
49. Serviced and re-certified EPIRB
50. Hull sides compounded, waxed and buffed

## **2012 - 2013 Major work and repairs**

1. Hydraulic Davit pump and cylinder rebuilt
2. New anti-fouling paint
3. Teak planking replaced on swim platform
4. Replaced Naiad stabilizer hoses and fittings
5. Rebuilt underwater lights, new lenses and bulbs
6. New batteries
7. New battery charger
8. Replaced fly bridge windscreen with new plexiglass and hardware

9. Replaced on board computer
10. Upgraded navigation electronics

**Features Electronics** 1. Depthsounder 2. Radar 3. Computer 4. TV Set 5. VCR 6. Plotter 7. DVD player 8. Autopilot 9. Radio 10. Compass 11. CD player 12. GPS 13. Cockpit speakers 14. VHF

**Inside Equipment** 1. Stern thruster 2. Dishwasher 3. Bow thruster 4. Washing machine 5. Electric bilge pump 6. Oven 7. Manual bilge pump 8. Microwave oven 9. Air compressor 10. Air conditioning 11. Electric head 12. Heating 13. Hot water 14. Refrigerator 15. Battery charger

**Electrical Equipment** 1. (2) Shore power receptacle 50amp Grounding with cable masters in Lazarette 2. Generator (2) 3. 4000W inverter/charger (pure sine wave) 4. AGM 4D batteries for house bank, AGM 4D battery for generator 5. Engine battery disconnect switch; Service battery switch 6. 50 amp on foredeck 7. Phone jacks at master stateroom, salon, VIP, and pilothouse 8. Vimar switches and outlets 9. AC/DC distribution panel with battery paralleling system with control switches 10. Electrical panel with backlighting 11. Polarity reverse indicating light 12. TV outlets salon/stateroom; (4) TV's (Salon and each stateroom) each with it's own Direct TV DVR receiver 13. Central stereo system has speaker outputs to bridge and aft deck 14. King Dome 18" tracking TV dish/receiver for the four TV's giving each dual channel DVR's **Outside**

**Equipment/Extras** 1. Teak cockpit 2. Cockpit shower 3. Davit(s) 4. Tender 5. Liferaft 6. Cockpit cushions 7. Cockpit table **Exclusions** Owner's personal items **Flybridge** 1. Adjustable Stidd chairs 2. Stainless steel destroyer helm wheel 3. Icom IC M604 4. Key hydrolic control pad 5. Charging point for SIMRAD autopilot control 6. MTU displays for Main engine 7. Furuno Navnet All-Weather display 8. Trim tab controls 9. MTU throttle controls 10. Bow and stern thruster controls 11. Ritchie 5" compass 12. Heavy duty Grover air horn 13. Wet bar with fridge, ice maker, BBQ (propane), and sink 14. (2) L-Shaped settee with teak top table 15. Hard top 16. Waterproof stereo system 17. Emergency life raft 18. Sliding hatch from pilothouse to flybridge 19. Hatch for stairway from cockpit to flybridge 20. 2000lb steel-head davit 21. (2) VHF antennas mounted on hard top 22. (2) Sea King domes 18" for Sat receivers 23. Navigation and running lights 24. Furuno radar display 25. Furuno chart display **Vessel Walkthrough** Life's Voyage II is the perfect cruising vessel with easy walk around side decks and hydraulic bow and stern thrusters. A spacious aft deck and over sized flybridge are perfect for entertaining. There is also a new extra large sunpad for the bow area. When cruising aboard the vessel you will be pleased at how smooth and comfortable she rides.

Accessing the aft deck can be accomplished easily from the swim platform where there are latching port and starboard aft doors. There are also latching port and starboard side boarding doors for ease of entrance if you are docked side to.

One enters the main salon through a stainless steel sliding door. Upon entering, one is greeted by a large open salon with satin teak wood finish. To starboard is a large L-shaped settee with tons of storage. On the port side are two barrel chairs and a wet bar, which includes a wine cooler. Mounted on the forward bulkhead is a new 55" Samsung Smart TV. The stereo system is located inside one of the forward cabinets as well as a 15 bottle wine chiller.

Going forward up three stairs one enters the wheelhouse, dinette and galley area. The dinette is located to port and is raised for better visibility for those seated. The lower helm has all the

options that you would normally find in a much larger vessel. The galley is a sea going chef's delight with plenty of storage, new granite counter tops and top of the line appliances.

Going downstairs leads to three staterooms. The master stateroom features a walk-around queen berth, en suite head which includes a spacious shower with built in seating. Exiting the master one will find a full sized washer and dryer located in a cabinet outside the master door. Moving forward on the port side is another guest stateroom with side by side single berths. The VIP stateroom contains a queen size berth with enough room to walk around the bed. Both guest staterooms share the forward head and with separate shower.

Proceeding to the flybridge there are two white stidd chairs, a large hardtop for shade and once again a full complement of electronics. Seating is well appointed with a L-shaped settee to starboard with a teak table. There is also a two person settee to port. For entertaining and relaxing there is a fridge, icemaker, propane grill and wet bar. Aft is the boat deck with a 14' AB tender with a 60hp Yamaha 4stroke. The tender is launched and retrieved with the help of the 2000 lb. hydraulic crane. LIFE'S VOYAGE II has the optional extension for the boat deck. Port side of the boat deck is a hatch that opens to the staircase that leads down to the aft deck. On the aft, one will find a transom settee and a swiveling table with two teak chairs for al fresco dining or relaxing. There is also a wet bar, refrigerator and ice maker located here as well. Under the table is a hatch that opens to a spacious lazarette. Access to the engine room is through a hatch on the aft deck. The engine room is laid out intelligently with easy to all machinery. The engine room has 6'2" of headroom. **Accommodations** This 64' Ocean Alexander has an incredible accommodation layout which will challenge much larger vessels. 1. Satin finish teak paneling & cabinetry 2. Cruisair central air conditioner with 5 ECU control panels 3. Inner spring mattresses for berths 4. Flush design doors and drawers with satin finish 5. Stainless steel hardware 6. Hanging lockers 7. Granite in shower floor, shower seat and wall trim 8. Double bull-nose granite counter tops and splash board for galley and heads 9. Professional Sound System, Pinnacle sub-woofer, installation of Middle Atlantic Media Rack, Roku Salon The salon is very spacious with enough room for an L-shaped sofa and two barrel chairs. 1. Wet bar and 15 bottle Wine cooler w/solid panel door 2. Loose end table 3. Liquor and glass storage in cabinet 4. Custom "Sunburst" removable ceiling panel 5. Large sliding table with electric hi-low post 6. Middle Atlantic Media Rack for entertainment system, stereo amp, DVD player and more 7. Seatel Satellite Television with three DSS receivers 8. Plenty of storage in forward bulkhead cabinets as well as a 55" Samsung Smart TV mounted to the forward bulkhead 8. Central Vacuum system for whole vessel 9. 24V halogen lights **Galley** The galley has more counter and cabinet space than any other yacht in this size range. 1. Teak panel and cabinetry 2. New Granite countertops 3. Storage cabinets and drawers, lazy Susan in the corner 4. Franke Double sink with faucet and GE disposal 5. Overhead dish locker with access on both sides 6. Teak plank flooring with ebony border 7. Seagull water purifier 8. 24' Gaggenau electric stove and Kenyan cook top 9. 36" Amana Easy Reach Refrigerator with drawer freezer & ice-maker 10. Overhead Microwave Convection oven 11. Miele dishwasher 12. Trash compactor **Pilothouse** Operating the vessel from the lower helm is extremely comfortable with good visibility. On the port side is a U-shaped dinette with a chart drawer underneath. 1. Pilothouse floor teak plank with ebony 2. Sunken and extended dash with navigation and electronics 3. Large helm wheel made of wood 4. Burl-wood

top table 5. Windshield defrosters 6. 16" TV monitor for Elbex CTV in cockpit and engine room as well as satellite TV 7. 3 x 17" LCD monitors 8. Furuno Navnet VX2 black box radar 9. Furuno black box LCD Plotter system 10. Noble Tec computer navigation system 11. Ritchie 5" compass 12. MTU display for both engines 13. Sirius weather 14. Furuno RD 30 15. Simrad AP 25 autopilot with remote control 16. Icom IC M604 17. Pneumatic water-tight doors to port and starboard side deck 18. Stainless Steel post stair to bridge 19. Tank tender for 4 tanks 20. One Stidd helm seat (black) 21. Large pullout drawer at end of settee 22. Bow and stern thruster controls 23. Chart light beside dash 24. Bennit trim tab controls 25. Main engine throttle controls 26. Back up engine controls 27. Controls for stabilizers 28. Anchor chain counter **Master Stateroom** 1. Queen size berth with innerspring mattress with burl-wood headboard, two night stands, two drawers under bed and bureau w/chest of drawers 2. Retractable Panasonic 25" HDTV in custom cabinet with DVD and CD player 3. Sony surround sound system 4. Private head w/stall shower on port w/pocket door 5. Oval port lights 6. (2) Cedar-lined, full-height hanging lockers with auto lighting (Starboard has safe)

Outside of Master: Maytag 2400AWW stacked washer/dryer **VIP Stateroom** 1. Queen size berth with innerspring mattress, four drawers under bed and a mirrored headboard 2. Dressing Mirror 3. Stainless Steel oval port light with privacy screen 4. One head with stall shower 5. Two reading lights on forward wall 6. (2) Cedar-lined hanging lockers with automatic lighting 7. Two port lights 8. Sony Surround sound System, Panasonic 22" HDTV & DVD/CD player **Midship** 1. Side-by-side twin berths with fabric headboards 2. 2 Stainless Steel oval port light with privacy screen 3. Cedar-lined hanging locker 4. Sony LCD Television **Heads** 1. Teak walls & cabinets with granite counter tops 2. Granite "Baltic Brown" floor for both heads 3. Grohe faucets for sink and shower 4. Fiberglass seamless stall shower with one piece glass door 5. Mirrored door on medicine cabinet 6. Mirrored sliding cabinet door under head port light 7. Floating mirror-like ceiling in heads with recessed tube lighting 8. Keuco bathroom fixtures **Hull, Superstructure, and Deck** 1. Hand-laid, gel coated fiberglass hull 2. Solid fiberglass hull bottom 3. Carbon reinforced structural fiberglass 4. Swimming ladder 5. Spare Propellers 6. Teak deck on cockpit and aft deck 7. White non-skid fiberglass decks 8. Teak cap rail 9. Port and starboard boarding gates 10. Aft controls located in starboard aft locker 11. L-shaped seating on Flybridge with teak table, sink and refrigerator 12. Fiberglass bow pulpit with stainless steel anchor roller 13. Chain locker forward peak with 200 ft of anchor chain 14. Pneumatic Port and Starboard water-tight door in pilothouse 15. Engine room access: walk-in fiberglass stairs from cockpit locker 16. Remote operated lockable cockpit hatch to lazarette **Exterior Hardware & Fittings** 1. Mirror 3500 Hydraulic Windlass 2. Trim tabs 3. Sea & Freshwater wash down, forward deck & cockpit 4. Hydraulic bow thruster (25HP) and Stern (25HP) 5. Key Power Stabilizers 6. Dock-side water TV/phone inlet 7. Teak swim platform and steps 8. Flybridge teak top table with teak bullnose and nautical star in center 9. 4 speakers on back of boat deck overhang and Flybridge 10. Swing out teak table on aft deck 11. Refrigerator and sink in cockpit 12. Teak steering wheel inside wheel house and stainless on Flybridge Steelhead SM2000 davit (hydraulic boom, rotation and extension) 13. Two Stidd helm seats-F/B (white X2) 14. Teak cockpit coaming cap rail 15. Heavy-duty corner cleats at both sides of Euro transom 16. Built-in Fiberglass bench seat in cockpit 17. Removable 2-1/2" rails on swim platform 18. Waterproof CD/Radio on Flybridge 19. Underwater lights (3) **Lazarette** 1. 3.5hp Air Compressor 2. (2) Charles Iso boost 50 3. (2)

Glendenning 4. Spare Propellers 5. Central Vacuum 6. Xantrex inverter/charger 7. Swim ladder  
**Control & Navigation** 1. Three control stations: Flybridge & Pilot House w/engine instrumentation and lighted switches as well as a swing out docking station on aft deck located in starboard locker. 2. Third control in cockpit just for engines and thrusters. 3. International navigation lights 4. MTU display with engine alarm system, audio oil, temperature and hours 5. Heavy duty Grover air horn 6. Ritchie 5" compass in Flybridge 7. 16" Viewsonic TV for Satellite TV (with secondary speakers and volume control) and monitor for three cameras 8. 17" Monitor for Nobeltec Computer Navigation System 9. Two 17" Monitors for Double Furuno Black Box NavNet VX2 Systems 10. GPS Mapping with output to Autopilot 11. Furuno radar 12. Furuno depth sounder 13. Sirius Weather 14. Furuno RD-30 with second Depth and second GPS (Feeds Nobeltec and Autopilot) 15. Simrad Autopilot with feed from Computer or Furuno 16. Simrad Wireless remote for Autopilot with charging mount on bridge 17. Icom IC-M604 VHF Radios (2) - one in Pilothouse with Commandmic III remote on Bridge, second on pilothouse with Commandmic III remote on pilothouse 18. Bridge has Weatherproof Furuno free standing unit (All three Furunos linked to share functions)

**Engine Room and Bilge** 1. Sea Land holding tank plumbed for overboard & dockside discharge 2. Common drainage system for sink, shower, bilge & exterior deck 3. Color-coded piping for fuel, water and hydraulic systems 4. Five electric bilge pumps 5. Dripless engine shaft seal logs and rudder posts 6. Lighted bilge 7. Holding tank gauge 8. Both side fillers for water and fuel tanks 9. Stainless steel rail on side of engine 10. Y-valve emergency engine driven bilge pump 11. Dry bilge area arrangement in center engine room 12. Gulf Coast fuel polishing system 13. Stainless steel stringer caps for engine bed sand motor mounts 14. Sea cocks and raw water strainers on all intakes 15. Mini Maid 100 GPD Water-maker 16. Detailed stringers in engine room and lazarette 17. Fireboy system 18. Dual Racor fuel/water separators with "Y" valves for main engines and both generators 19. Engine room vent blowers 20. Engine isolation switches 21. Herone rubber flooring-engine room 22. Fresh-water outlet with hose in engine room 23. 24V ceiling lights 24. Underwater exhaust system 25. U Lube oil changing system for both engines and genset 26. Twin MTU series 60 engines 27. Key Power hydraulic system featuring 25hp bow thruster and 25hp stern thruster 28. Aluminum fuel tanks with sight gages 29. Stainless steel water tanks with sight gages 30. Headhunter fresh water system 31. 30 gallon water heater

## Basic Information

## Features

---

- LIFE'S VOYAGE II was purchased new in March of 2009 and has been continually improved and upgraded by an extremely knowledgeable yachtsman. She is easy to handle and is a very comfortable sea going yacht. The owner has found his next vessel and is ready to move up in size to accommodate a growing family. She is loaded with many custom features such as a full hydraulic system for stabilizers, bow thruster, stern thruster, windlass and davit, dual gensets as well as an inverter for silent anchoring and a custom interior. If you are a discriminating buyer, you will appreciate the beauty and luxury of LIFE'S VOYAGE II. You will not find a nicer Ocean Alexander 64 Pilothouse anywhere. **This boat is the benchmark for all the others.** The following is the list of just the major works performed from 2012 thru 2014. **LIFE'S VOYAGE II - Major refits, upgrades and replacements Spring of 2014**
1. Complete 1000 hour service performed on MTU 60 Series motors
  2. Complete service of both generators including new heat exchangers and replacement of insulation
  3. Complete service of black water system including professional flushing and cleaning of holding tank
  4. Hydraulic steering pump rebuilt, system flushed, filters changed and new fluid added
  5. All bilges and engine room painted and detailed including unexposed areas
  6. New dripless shaft seals
  7. New cutlass bearings
  8. Replaced worn exterior teak planking where necessary
  9. New exterior cushions on aft deck settee
  10. New exterior décor pillows
  11. New exterior cushions on fly bridge L-lounge
  12. New exterior cushions on fly bridge settee
  13. Exterior windows re-caulked where necessary
  14. New large custom sun pad with built in head pillow
  15. New custom weather cover for sun pad
  16. New upgraded carpeting and padding throughout the interior ( exception is the galley/pilothouse & heads)
  17. New custom sofa with storage in salon
  18. New custom ottomans (2) with storage in salon
  19. New décor pillows for salon
  20. New fabric on swiveling barrel chairs (2) in salon
  21. New 55" Samsung Smart TV (Internet Ready) in salon
  22. New interior window blinds in the salon
  23. Galley/Pilothouse wood flooring professionally stripped, sanded and refinished
  24. New salon to galley/pilothouse stair treads

25. New custom granite countertop in galley
26. New fabric on galley/pilothouse settee cushions
27. New interior window blinds in galley/pilothouse
28. New interior custom blinds for forward and side pilothouse windows (white on the interior side and black on the exterior side)
29. New vinyl finish added to the exterior of pilothouse forward windows to enhance the esthetics
30. All interior wood professionally refinished where scratched or marred
31. Air Conditioning system completely serviced, installed new upgraded manifold and plumbed to provide a backup pump
32. Individual Air Units cleaned and serviced
33. Replaced puffer tank for Head Hunter fresh water pump
34. Disassembled, inspected, serviced and lubricated Naiad Fin Stabilizers
35. Serviced and recertified engine room fire suppression system
36. Safety inspection of vessel for fire code
37. Replaced fresh water filter
38. Inspected all fittings and hoses and replaced any corroded fittings or worn hoses
39. Replaced exterior courtesy lights with new LED lights
40. Added new LED courtesy lights to windlass and bow area
41. Added new LED pin lights to custom radar mast

## Vessel Walkthrough

---

Life's Voyage II is the perfect cruising vessel with easy walk around side decks and hydraulic bow and stern thrusters. A spacious aft deck and over sized flybridge are perfect for entertaining. There is also a new extra large sunpad for the bow area. When cruising aboard the vessel you will be pleased at how smooth and comfortable she rides.

Accessing the aft deck can be accomplished easily from the swim platform where there are latching port and starboard aft doors. There are also latching port and starboard side boarding doors for ease of entrance if you are docked side to.

One enters the main salon through a stainless steel sliding door. Upon entering, one is greeted by a large open salon with satin teak wood finish. To starboard is a large L-shaped settee with tons of storage. On the port side are two barrel chairs and a wet bar, which includes a wine cooler. Mounted on the forward bulkhead is a new 55" Samsung Smart TV. The stereo system is located inside one of the forward cabinets as well as a 15 bottle wine chiller.

Going forward up three stairs one enters the wheelhouse, dinette and galley area. The dinette is located to port and is raised for better visibility for those seated. The lower helm has all the options that you would normally find in a much larger vessel. The galley is a sea going chef's delight with plenty of storage, new granite counter tops and top of the line appliances.

Going downstairs leads to three staterooms. The master stateroom features a walk-around queen berth, en suite head which includes a spacious shower with built in seating. Exiting the master one will find a full sized washer and dryer located in a cabinet outside the master door. Moving forward on the port side is another guest stateroom with side by side single berths. The VIP stateroom contains a queen size berth with enough room to walk around the bed. Both guest staterooms share the forward head and with separate shower.

Proceeding to the flybridge there are two white stidd chairs, a large hardtop for shade and once again a full complement of electronics. Seating is well appointed with a L-shaped settee to starboard with a teak table. There is also a two person settee to port. For entertaining and relaxing there is a fridge, icemaker, propane grill and wet bar. Aft is the boat deck with a 14' AB tender with a 60hp Yamaha 4stroke. The tender is launched and retrieved with the help of the 2000 lb. hydraulic crane. LIFE'S VOYAGE II has the optional extension for the boat deck. Port side of the boat deck is a hatch that opens to the staircase that leads down to the aft deck. On the aft, one will find a transom settee and a swiveling table with two teak chairs for al fresco dining or relaxing. There is also a wet bar, refrigerator and ice maker located here as well. Under the table is a hatch that opens to a spacious lazarette. Access to the engine room is through a hatch on the aft deck. The engine room is laid out intelligently with easy to all machinery. The engine room has 6'2" of headroom.

---

## Electronics

---

- Depthsounder
- Radar
- Computer
- TV Set
- VCR
- Plotter
- DVD player
- Autopilot
- Radio
- Compass
- CD player
- GPS
- Cockpit speakers
- VHF

---

## Inside Equipment

---

- Stern thruster
- Dishwasher
- Bow thruster
- Washing machine
- Electric bilge pump
- Oven
- Manual bilge pump
- Microwave oven
- Air compressor
- Air conditioning
- Electric head
- Heating
- Hot water
- Refrigerator
- Battery charger

---

## Electrical Equipment

---

- (2) Shore power receptacle 50amp Glendening with cable masters in Lazarette
- (2) Generator
- 4000W inverter/charger (pure sine wave)
- AGM 4D batteries for house bank, AGM 4D battery for generator
- Engine battery disconnect switch; Service battery switch
- 50 amp on foredeck
- Phone jacks at master stateroom, salon, VIP, and pilothouse

- Vimar switches and outlets
- AC/DC distribution panel with battery paralleling system with control switches
- Electrical panel with backlighting
- Polarity reverse indicating light
- TV outlets salon/stateroom; (4) TV's (Salon and each stateroom) each with it's own Direct TV DVR receiver
- Central stereo system has speaker outputs to bridge and aft deck
- King Dome 18" tracking TV dish/receiver for the four TV's giving each dual channel DVR's

---

## Outside Equipment/Extras

---

- Teak cockpit
- Cockpit shower
- Davit(s)
- Tender
- Liferaft
- Cockpit cushions
- Cockpit table

---

## Fly Bridge

---

- Adjustable Stidd chairs
- Stainless steel destroyer helm wheel
- Icom IC M604
- Key hydrolic control pad
- Charging point for SIMRAD autopilot control
- MTU displays for Main engine
- Furino Navnet All-Weather display
- Trim tab controls
- MTU throttle controls
- Bow and stern thruster controls
- Ritchie 5" compass
- Heavy duty Grover air horn
- Wet bar with fridge, ice maker, BBQ (propane), and sink
- (2) L-Shaped settee with teak top table
- Hard top
- Waterproof stereo system
- Emergency life raft
- Sliding hatch from pilothouse to flybridge
- Hatch for stairway from cockpit to flybridge
- 2000lb steel-head davit
- (2) VHF antennas mounted on hard top

- (2) Sea King domes 18" for Sat receivers
- Navigation and running lights
- Furuno radar display
- Furuno chart display

---

## Accommodations

---

- This 64' Ocean Alexander has an incredible accommodation layout which will challenge much larger vessels.
- Satin finish teak paneling & cabinetry
- Cruisair central air conditioner with 5 ECU control panels
- Inner spring mattresses for berths
- Flush design doors and drawers with satin finish
- Stainless steel hardware
- Hanging lockers
- Granite in shower floor, shower seat and wall trim
- Double bull-nose granite counter tops and splash board for galley and heads
- Professional Sound System, Pinnacle sub-woofer, installation of Middle Atlantic Media Rack, Roku

---

## Salon

---

The salon is very spacious with enough room for an L-shaped sofa and two barrel chairs.

- Wet bar and 15 bottle Wine cooler w/solid panel door
- Loose end table
- Liquor and glass storage in cabinet
- Custom "Sunburst" removable ceiling panel
- Large sliding table with electric hi-low post
- Middle Atlantic Media Rack for entertainment system, stereo amp, DVD player and more
- Seatel Satellite Television with three DSS receivers
- Plenty of storage in forward bulkhead cabinets as well as a 55" Samsung Smart TV mounted to the forward bulkhead
- Central Vacuum system for whole vessel
- 24V halogen lights

---

## Galley

---

The galley has more counter and cabinet space than any other yacht in this size range.

- Teak panel and cabinetry
- New Granite countertops

- Storage cabinets and drawers, lazy Susan in the corner
- Franke Double sink with faucet and GE disposal
- Overhead dish locker with access on both sides
- Teak plank flooring with ebony border
- Seagull water purifier
- 24' Gaggenau electric stove and Kenyan cook top
- 36" Amana Easy Reach Refrigerator with drawer freezer & ice-maker
- Overhead Microwave Convection oven
- Miele dishwasher
- Trash compactor

---

## Pilothouse

---

Operating the vessel from the lower helm is extremely comfortable with good visibility. On the port side is a U-shaped dinette with a chart drawer underneath.

- Pilothouse floor teak plank with ebony
- Sunken and extended dash with navigation and electronics
- Large helm wheel made of wood
- Burl-wood top table
- Windshield defrosters
- 16" TV monitor for Elbex GTV in cockpit and engine room as well as satellite TV
- 3 x 17" LCD monitors
- Furuno Navnet VX2 black box radar
- Furuno black box LCD Plotter system
- Noble Tec computer navigation system
- Ritchie 5" compass
- MTU display for both engines
- Sirius weather
- Furuno RD 30
- Simrad AP 25 autopilot with remote control
- Icom IC M604
- Pneumatic water-tight doors to port and starboard side deck
- Stainless Steel post stair to bridge
- Tank tender for 4 tanks
- One Stidd helm seat (black)
- Large pullout drawer at end of settee
- Bow and stern thruster controls
- Chart light beside dash
- Bennit trim tab controls
- Main engine throttle controls
- Back up engine controls
- Controls for stabilizers

- Anchor chain counter

---

## Master Stateroom

---

- Queen size berth with innerspring mattress with burl-wood headboard, two night stands, two drawers under bed and bureau w/chest of drawers
- Retractable Panasonic 25" HDTV in custom cabinet with DVD and CD player
- Sony surround sound system
- Private head w/stall shower on port w/pocket door
- Oval port lights
- (2) Cedar-lined, full-height hanging lockers with auto lighting (Starboard has safe)

Outside of Master:

- Maytag 2400AWW stacked washer/dryer

---

## VIP Stateroom

---

- Queen size berth with innerspring mattress, four drawers under bed and a mirrored headboard
- Dressing Mirror
- Stainless Steel oval port light with privacy screen
- One head with stall shower
- Two reading lights on forward wall
- (2) Cedar-lined hanging lockers with automatic lighting
- Two port lights
- Sony Surround sound System, Panasonic 22" HDTV & DVD/CD player

---

## Midship

---

- Side-by-side twin berths with fabric headboards
- 2 Stainless Steel oval port light with privacy screen
- Cedar-lined hanging locker
- Sony LCD Television

---

## Heads

---

- Teak walls & cabinets with granite counter tops
- Granite "Baltic Brown" floor for both heads
- Grohe faucets for sink and shower
- Fiberglass seamless stall shower with one piece glass door

- Mirrored door on medicine cabinet
- Mirrored sliding cabinet door under head port light
- Floating mirror-like ceiling in heads with recessed tube lighting
- Keuco bathroom fixtures

---

## Hull, Superstructure, & Deck

---

- Hand-laid, gel coated fiberglass hull
- Solid fiberglass hull bottom
- Carbon reinforced structural fiberglass
- Swimming ladder
- Spare Propellers
- Teak deck on cockpit and aft deck
- White non-skid fiberglass decks
- Teak cap rail
- Port and starboard boarding gates
- Aft controls located in starboard aft locker
- L-shaped seating on Flybridge with teak table, sink and refrigerator
- Fiberglass bow pulpit with stainless steel anchor roller
- Chain locker forward peak with 200 ft of anchor chain
- Pneumatic Port and Starboard water-tight door in pilothouse
- Engine room access: walk-in fiberglass stairs from cockpit locker
- Remote operated lockable cockpit hatch to lazarette

---

## Exterior Hardware & Fittings

---

- Mirror 3500 Hydraulic Windlass
- Trim tabs
- Sea & Freshwater wash down, forward deck & cockpit
- Hydraulic bow thruster (25HP) and Stern (25HP)
- Key Power Stabilizers
- Dock-side water TV/phone inlet
- Teak swim platform and steps
- Flybridge teak top table with teak bullnose and nautical star in center
- 4 speakers on back of boat deck overhang and Flybridge
- Swing out teak table on aft deck
- Refrigerator and sink in cockpit
- Teak steering wheel inside wheel house and stainless on Flybridge Steelhead SM2000 davit (hydraulic boom, rotation and extension)
- Two Stidd helm seats-F/B (white X2)
- Teak cockpit coaming cap rail
- Heavy-duty corner cleats at both sides of Euro transom

- Built-in Fiberglass bench seat in cockpit
- Removable 2-1/2" rails on swim platform
- Waterproof CD/Radio on Flybridge
- Underwater lights (3)

---

## Lazarette

---

- 3.5hp Air Compressor
- (2) Charles Iso boost 50
- (2) Glendenning
- Spare Propellers
- Central Vacuum
- Xantrex inverter/charger
- Swim ladder

---

## Control & Navigation

---

- Three control stations: Flybridge & Pilot House w/engine instrumentation and lighted switches as well as a swing out docking station on aft deck located in starboard locker.
- Third control in cockpit just for engines and thrusters.
- International navigation lights
- MTU display with engine alarm system, audio oil, temperature and hours
- Heavy duty Grover air horn
- Ritchie 5" compass in Flybridge
- 16" Viewsonic TV for Satellite TV (with secondary speakers and volume control) and monitor for three cameras
- 17" Monitor for Nobeltec Computer Navigation System
- Two 17" Monitors for Double Furuno Black Box NavNet VX2 Systems
- GPS Mapping with output to Autopilot
- Furuno radar
- Furuno depth sounder
- Sirius Weather
- Furuno RD-30 with second Depth and second GPS (Feeds Nobeltec and Autopilot)
- Simrad Autopilot with feed from Computer or Furuno
- Simrad Wireless remote for Autopilot with charging mount on bridge
- Icom IC-M604 VHF Radios (2) - one in Pilothouse with Commandmic III remote on Bridge, second on pilothouse with Commandmic III remote on pilothouse
- Bridge has Weatherproof Furuno free standing unit (All three Furunos linked to share functions)

---

## Engine Room & Bilge

---

- Sea Land holding tank plumbed for overboard & dockside discharge
- Common drainage system for sink, shower, bilge & exterior deck
- Color-coded piping for fuel, water and hydraulic systems
- Five electric bilge pumps
- Dripless engine shaft seal logs and rudder posts
- Lighted bilge
- Holding tank gauge
- Both side fillers for water and fuel tanks
- Stainless steel rail on side of engine
- Y-valve emergency engine driven bilge pump
- Dry bilge area arrangement in center engine room
- Gulf Coast fuel polishing system
- Stainless steel stringer caps for engine bed sand motor mounts
- Sea cocks and raw water strainers on all intakes
- Mini Maid 100 GPD Water-maker
- Detailed stringers in engine room and lazarette
- Fireboy system
- Dual Racor fuel/water separators with "Y" valves for main engines and both generators
- Engine room vent blowers
- Engine isolation switches
- Herone rubber flooring-engine room
- Fresh-water outlet with hose in engine room
- 24V ceiling lights
- Underwater exhaust system
- U Lube oil changing system for both engines and genset
- Twin MTU series 60 engines
- Key Power hydraulic system featuring 25hp bow thruster and 25hp stern thruster
- Aluminum fuel tanks with sight gages
- Stainless steel water tanks with sight gages
- Headhunter fresh water system
- 30 gallon water heater
