SPECIFICATIONS

Overview

Lazy Bones was built for a very experienced yachtsman and tournament fisherman. She has a lot of room for a boat her size. From the bridge to the cockpit, she is spacious, well equipped and ready to fish and cruise with a good blend of speed and economy. The TDAM 74 engines have been upgraded to the TAMD 75 . The Genset was replaced in the last 3 years as was the paint on the hull and house. The bottom paint, bright work, and AC overhaul was just finished on May 8, 2014. Engine access is from the cockpit, under the step to the salon. Rod storage is under the sofa in the salon and in the master outboard port and starboard above the queen berth. The salon has seating for 4 at the dinette with storage under the seating and galley to port. The refrigerator & electrical panel are on the starboard side. All custom cabinets, joinery and trim are done in a rich satin mahogany. You step below and the guest stateroom is to starboard with stacked berths, closet and drawers for two. The head is to port and has a large shower, a hanging closet with good storage and two doors, (a slider to the hall and a private curved door to the master). The master is forward and has a TV, drawers under the berth and a hanging closet. The bridge has two Murray Brothers helm chairs and a forward facing bench seat with room for two and excellent visibility, fore and aft. The cockpit bulkhead has a large divided freezer and lower helm to starboard. To port is the larger of two bait wells and tackle storage as well as fresh and salt water wash down. A Carolina style fish box/ bait well is in the transom with a tuna door to starboard. This is an all composite Core Cell /VE & E glass boat.

Basic Information

Category: Sport Fisherman

Sub Category: Sport Fisherman

Model Year: 1999

Year Built: 1999

Country: United States

Coast Guard #: 1086059
