DETAILED INFORMATION

Fountaine Pajot Motor Yachts Cumberland 44 - 2006

Althea is a Cumberland 44 power catamaran by Fountaine Pajot Motor Yachts in the owners' version. The most impressive feature of these power cats is their low fuel consumption and excellent handling at sea.

She is fully loaded with new, upgraded engines (D6-330hp) with excellent fuel economy (just 50L per hour on both engines), shaft drives, water maker, teak deck, the latest Raymarine equipment on both helm stations, genset, air conditioning throughout, electric toilets plus crew cabin completely fit out.

Whatever your plans; long-haul navigation, fishing, family and friends cruising, rest assured that your journey will be comfortable. Enjoy cocktails and sunbathing on the fly bridge, share a delicious meal in the saloon or take a nap in one of the private cabins with a panoramic window. Their generous freeboard means that the bows do not penetrate the waves, they sit above and the bridge stays dry. With twin hulls they are superbly stable and do not suffer from the uncomfortable rolling of monohulls.

This Cumberland 44 is ready to go now.

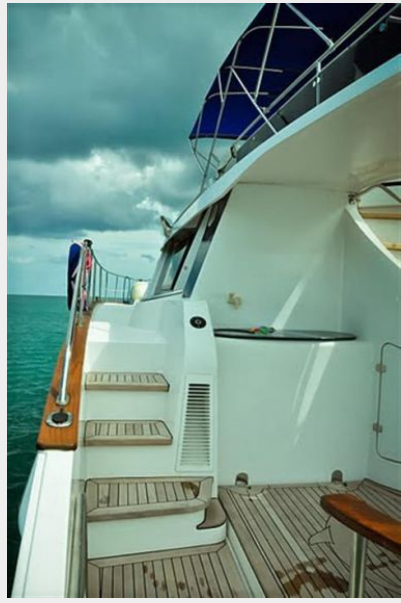

Exclusions

Owner's personal belongings.
