Deck Material: Carbon Composite

Hull Designer: Juan Kouyoumdjian

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 4JH4E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Broker's Comments

FIVE WEST is quite considerably the fastest TP52 upwind on the market. With her strong hull construction she could easily be worked into an offshore capable yacht. Currently set up with a tiller, she could be easily converted into a wheel steered yacht. Ownership changed in 2013 with full rebrand and sail package. Call for details.

Owner's Comments

A highly competitive yacht which is race ready and available in the UK for immediate viewing.

- Sailed as: TEAM ORIGIN/RIO/FIVE DEGREES WEST.
- 1st Overall Cowes Week 2011.
