## Overview

---

Purchased as new by this experienced couple, this one owner boat has been kept under cover since new, and has been very well maintained. She has a light blue hull and white decks, all with great shine and finish. She sits atop a Load Master trailer. She is well equipped for fishing with two bait wells, locking rod storage, bait prep sink, fresh/salt water wash-down and outriggers. She has dive tank storage, and under deck storage for lines, fenders and such. The console is spacious and offers additional dry storage. A large insulated cooler is under the front seat. Deck lighting is tucked under the padded coming, fluorescent lighting under the Tee top, aft pointing floods and under water lights in the transom. Fuel is carried in one main tank at 260 gallons and two wing tanks at 40 gallons each. They can be separated or gravity fed to act as one. Batteries and all electrical gear are in good order. All controls and electronics are in excellent condition. A new stereo, speakers and wing canvas for the tee top make this boat very versatile for all kinds of water sports and conditions.
