Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

OVERVIEW

This 35 Contender is a fast, seaworthy, tournament sport fisher that's designed to run hard in the kind of conditions keeping other boats tied up at the dock. Like all Contenders, she's built with a full-cored, deep-V hull and this one was **repowered in 2008 with 2007 Yamaha F250s that currently have only 350 hrs. This vessel also benefits from a New Generator installed at the end of 2007 with just 333 hrs.** She features all new cushions as well as a canvas top fitted in 2011. Also features an air conditioned helm and is in excellent conditions. She is captain maintained and shows extremely well so don't miss this one!!!
