Broker Comments

The Dun Workin' is offered for the first time by her original owner. A few of the appealing features include a very plush Luxury Edition Decor that is in practically new condition. She features the 2 stateroom layout which is essentially 2 masters - both having oversized island double berths and ensuite heads. Her D12 Volvo engines provide good speed coupled with economy. Full electronics, bow thruster and great visibility make this boat a dream to operate - with all of the amenities of a larger boat. A must see for anyone looking for a mid-size comfortable yet sporty Motoryacht that has had only minimal use - a rare find in today's market.

Exclusions

Owner's personal belongings.
