SPECIFICATIONS

Overview

Exceptional example of the remarkable Windy 25 Mirage. Nirox cockpit trim, Nextel anti-glare dash and very full specification. Ray C80 plotter & economical Volvo D3-190HP diesel.

Basic Information

Category: Motor Yacht

Model Year: 2009

Year Built: 2008

Country: United Kingdom

Dimensions

LOA: 25' 1" (7.65m)

Beam: 8' 2" (2.49m)

Speed, Capacities and Weight

Cruise Speed: 28 Kts. (32 MPH)

Max Speed: 34 Kts. (39 MPH)

Displacement: 4850.169764 Pounds

Water Capacity: 19.8129039 Gallons

Fuel Capacity: 79.2516156 Gallons

Accommodations

Total Cabins: 1

Total Berths: 2

Total Heads: 1

Hull and Deck Information

Hull Material: GRP

Deck Material: GRP

Hull Configuration: Planing

Hull Finish: Aluminum

Hull Designer: Hans J Johnsen

Engine Information

Engines: 1

Manufacturer: Volvo Penta

Model: D3 190 EVC

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Extra Upgrades above Standard Configuration

- Sleipner bow-thruster.
- Grey Nextel anti-glare dashboard.
- Grey Niroxx cockpit cushions.
- Grey Carlotta steering wheel.
- Teak laid decking in the cockpit.
- Teak laid decking on the bathing platform.
- Raymarine C80 colour chart-plotter.
- Raymarine ST60 Tridata.
- Shore power.
- Radio/CD player (updated 2014) with 4 loudspeakers.
- Sony cockpit loudspeakers.
- Electronic throttle.
- Diesel-fired heating with 2 outlets.
- Holding tank with 3-way valve.
- Tonneau cover (2014).
- Electric anchor windlass.
- White antifouling.

Broker's Comments

The 25 Mirage is perhaps the ideal small cruising power-boat.

This hull has been evolved from Windy and Draco's early brilliance in developing exceptionally fine-handling sea hulls, with style and panache.

Regarded by many as the benchmark hull at this length, the Mirage is built to the same exacting standards as the larger performance yachts from the Windy range, meaning that the residual value of the Windy marque is sustained, and that the working life of these boats is far longer than the average.

This example has the 5-cylinder 190hp D3 from Volvo, with common-rail technology and great torque for relaxed cruising and improved fuel economy.

Construction

Overall Measured Length: 25'3"; beam 7'8".

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology. The latest technological innovation is the Wintec hull concept, which gives improved performance, greater strength and reduced noise throughout the vessel.

The hull is reinforced with advanced multi axial glass fibre matting and Divinycell. This allows a reduction in the boats weight of up to 20% whilst offering noticeably improved stability.

All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies construction principals and more advanced construction production equipment, resulting in more cost-effective and quality oriented processes in-house. But above all, Windy is a "Boat Builder" and not a manufacturer of boats, a philosophy which characterizes their production staff and all those within their distribution network.

Engine Configuration & Machinery Details

Volvo Penta D3-190 A/C EVC diesel engine (190hp).

Volvo Penta's 5-cylinder D3 is developed from the latest design in modern diesel technology.

The engine is very lightweight and compact. With features like common rail fuel injection system, double overhead camshafts, 4 valves per cylinder, variable geometry turbocharger, aftercooler and the EVC (Electronic Vessel Control) a world-class diesel performance, combined with low emissions, is achieved.

- Approximate engine hours – 105 hours (as of May 2014).
- Full service history.
- Outdrive leg.
- Complete engine instrumentation at helm station.

- Trim tabs with indicators.
- EVC electronic throttle controls.

Performance

(Note – These figures are taken from Volvo tests and are intended as a guide only)

- Estimated top speed: 34 knots.
- Estimated cruising speed – 28 knots.

Features

- Common rail fuel injection.
- In-line 5 cylinder.
- Variable geometry turbo.
- Engine mounted sea water filter.
- Robust design with ladder frame bolted to engine block.
- Genuine through the drive exhaust.

Tankage

- Fuel tank (aluminium) – approx 300 litres (66 gallons).
- Water tank (aluminium) – approx 75 litres (15.5 gallons).
- Holding tank with 3-way valve.
- Fuel tank gauge.
- Water tank gauge.

Electrical Equipment

- 12V & 240V electrical systems.
- 1 x engine start battery.
- 1 x domestic battery.
- Shore power with automatic battery charger.
- Switch panel with circuit breakers.

Miscellaneous Electrical Equipment

- Navigation lights.
- Reversible anchor windlass.
- Windscreen wiper.

Plumbing

- Pressurised fresh water system.
- Transom shower.
- Manual & electric bilge pumps.

Main Cabin

- Luxury fittings in high gloss wood.
- Luxury bulkhead and deck head linings.
- Teak and holly cabin sole.
- Large U-shaped sofa.
- Retractable high gloss table.
- Infill to convert sofa to double berth.
- Lockers.
- Mirror on forward bulkhead.
- Port-light.
- Opening central deck hatch.
- 12V Ceiling lights.
- Sea heads with retractable lid under sofa.

Cockpit

- Adjustable helm & co-pilot seats.
- Stainless steel handholds on windscreen.
- Self draining cockpit.
- Shower on bathing platform.
- Windscreen wiper.
- Top stowing refrigerator.
- Large U-shaped sofa.
- Hydraulically supported engine hatch.
- Tonneau cover.
- Full enclosing camper canopy.
- Canopy garage on transom.
- Opening gate in windscreen.
- Steps leading onto foredeck.
- Bathing platform with transom shower.

Exclusions

Owner's personal belongings.
