Dukes Rehab — SEA RAY Page 5 of 24

SPECIFICATIONS

Overview

This is the most highly optioned out and most well maintained 2006 340 Sundancer you will find on the market today. This spotless, turn-key *loaded* package has only 290 hours on her twin 8.1s 370hp Mercury V-drive inboards and is equipped with an optional *Bow Thruster*. Her beautifully raked profile gleams as her *Pewter* gelcoat has been well cared for and always kept under over.

This vessel was just pulled out of the water for a fresh bottom job and had a fresh detail. Complete engine services & generator services were also just professionally rendered. The engine room is "like new" clean and has had many recent updates including newer risers and manifolds.

Sea Ray ranks among the very best names in the business by consistently delivering cutting edge products. This description clearly fits this particular Sea Ray 340 Sundancer as she is equipped with options unique to this particular vessel. Besides the bow thruster there is a mind blowing factory installed Momo Sound system which is very rare. She offers a cockpit TV, cockpit ice maker, Raymarine C80 Chartplotter / Radar / Fishfinder, underwater lights, and new custom cockpit carpet.

Below decks, her midcabin accommodations are a compelling blend of cherry wood cabinets, Ultraleather upholstery, and designer galley appliances. The expansive cabin area offers a large forward island berth, pleasing headroom and a tremendous amount of storage. Privacy curtains separate the sleeping areas from the main salon, and the 23" flat-screen TV can be viewed from anywhere in the cabin. The gourmet galley has spacious countertops, recessed stove & sink with solid-surface covers, refrigerator & freezer, microwave w/ coffeemaker, and plenty of storage. The large enclosed head compartment has a VacuFlush toilet. The interior is odor free.

Up in the cockpit you will find three forward facing helm seats with thigh rise bolsters, an abundance of comfortable quality U shaped seating with a newer camper canvas enclosure. The wet bar area features an ice maker, a removable 15" flatscreen TV w/DVD, and an area for a large carry along cooler. There is new custom cockpit carpet and a teak cockpit table which is a great place to sit around during the evenings while enjoying her underwater lighting.

Just the right size for a day trip, or a trip to the Keys! Its timeless beauty and unmatched elegance make it the best in its class. This vessel is easy to handle with her optional power steering and very quiet with her patented underwater exhaust. Call today to arrange your easy showing, you will not be disappointed.

Broker's Comments

"Duke's Rehab" has had excellent care and been kept under cover by her owner who keeps her in precise shape. In May of 2014 over 9000.00 was spent on her to bring her up to exacting standards, complete engine and genset services, shaft seals, fresh bottom job, new hoses, detailing, water heater, you name it.. Genny has low hours as well. Risers and manifolds replaced in 2012.
