# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

The Tiara 3100 Open proves that big boat features are available in a smaller package. Style and function come together with the 3100's wood-crafted interior detailing and her fully equipped galley, berths and head. With a 12-foot-long stepped cockpit, plenty of space is available for guests. Designed with port and starboard cockpit steps for safer boarding, and the trademark diamond-pattern non-skid from bow to stern, this yacht provides both the style and the safety needed for family and friends. The 3100 Open uses Teleflex hydraulic steering; Morse throttles and shifters; VDO BlueLine gauges; Crusaders; and Volvo, Cummins or Caterpillar engines to prove that great partnerships make for even better results.

## Construction

---

- White hull, deck & house
- Black wide and a Gold narrow boot stripes. Molded-in boot line graphics
- Black bottom

Gelcoat outer layer & hand-laid fiberglass with a special blend of premium resins. Wood stringers encapsulated by hand-laid fiberglass are integrated to the hull. All seacocks and underwater thru-hull fittings are bronze. Trim tabs are recessed.

- Tiara custom diamond pattern non-skid in deck & cockpit
- Molded-in fiberglass bow pulpit
- Molded-in hull side ventilation
- Molded-in cockpit steps
- Stainless 316L steel rub rail

With pulpit, the true LOA is 33' 10"

- Stainless 316L steel bow rail with pulpit
- Stainless steel bow roller
- Flush forward anchor locker with overboard drain
- (2) chrome bronze hawse hole deck plates
- (6) Stainless steel opening port lights with screens
- (3) flush acrylic forward deck hatches with adjusters & screens
- Stainless 316L steel mooring & spring line cleats
- Removable bilge grate

## Vessel Walkthrough

---

Forward from the helm area, through a full-frame aluminum translucent acrylic sliding, locking companionway door and down fiberglass steps with hardwood treads and a storage compartment below are the interior accommodations.

- Sleeps up to 4 forward
- Dinette
- Galley
- Head
- Double berth
- Wood veneer bulkheads, lockers & cabinet doors
- Teak & holly sole
- Opening ports w/screens
- Opening hatches w/clear covers
- Fabric & hull headliner that is mildew & mold resistant
- Courtesy lights
- Clarion AM/FM/CD player stereo w/4 speakers

---

## Galley (Port)

---

Opposite the dinette is the galley finished in Herreshoff-style white with wood trim. The forward bulkhead is wood finished.

- Deep stainless steel sink w/fixtures and hot & cold pressure water
- 2-burner electric cooktop stove
- Electric AC/DC refrigerator/freezer w/front door access
- Microwave oven
- Opening port

The sink is forward and the stove is next aft with sliding door locker storage behind outboard. There are 3 storage drawers and a cabinet door access to the storage area below the sink & stove. Aft is the large refrigerator/freezer with front-door access. There is a shelf over the refrigerator that continues forward over the sink/stove outboard locker. Built-in over the refrigerator is a microwave oven. Forward of the microwave oven and above the shelf is an opening port and above that is more sliding door locker storage that has dome lights built into the bottom for direct light to the stove and sink

---

## Dinette (Aft Starboard)

---

Starboard is a U-shaped dinette with backrest and bottom cushions and a wood dual pedestal table. This table can convert to a double berth when needed. The cushions are sand-colored leather. Storage is available under the seat and behind the seat backs.

Outboard is self-storage behind the dinette and lockers are overboard. There are two opening ports w/screens.

Mounted in the aft bulkhead are the stereo, AC/DC panel, cell phone.

---

## Owner's Stateroom

---

Offset to starboard is a double berth and opposite to port is a cushioned seat. A carpeted step/seat is between. A filler piece with cushions when in place over the chair to port can create one large berth forward.

There are 3 storage compartments under the berth and 2 over outboard. The chair has storage within. There is also a shelf storage outboard port & starboard. A mirror is located on the forward bulkhead. Aft to port is a hanging locker/pantry.

Opening port & starboard ports w/screens and an overhead opening hatch with screen offer plenty of natural light & ventilation. A curtain that matches the cushions separates this sleeping area from the rest of the accommodations.

---

## Head (Aft Port)

---

The head is very convenient to the cockpit/pilothouse as well as the interior accommodations. The separate, enclosed head area is finished in easy-to-clean fiberglass with a full fiberglass privacy door.

- Stainless steel sink w/hot & cold pressure water
- Fixtures include a hand-held shower/faucet
- Teak head sole
- Electric marine head w/Y-valve to 20 gal holding tank or overboard discharge facility
- Mirror
- Storage below sink & outboard
- Shelf w/wood trim is outboard
- Opening port

---

## Cockpit

---

Aft to starboard is a molded-in transom door and gate that opens to a step-down swim platform. A custom handhold offers assistance while on the platform or when using the fold-down mounted swim ladder.

The open cockpit offers a flexible area for many activities and a step forward leads up

to the pilothouse. The self-draining cockpit with scuppers has a molded-in non-skid sole, and the coaming has padded bolsters for safety. There is molded cockpit sole hatch storage.

A fold-up aft cockpit seat is forward-facing and provides cockpit seating.

Other cockpit amenities include:

- Stereo speakers port & starboard
- Cockpit courtesy lights
- (4) cockpit cup holders
- Cockpit shower
- Fresh water cockpit wash
- Weaver dinghy davits
- Anderson winch for dinghy

The pilothouse features the cruising radar/antenna arch which includes:

- A dodger & clear side curtains for protection from the weather as well as hand rails for safety
- A windowed 3-piece drop curtain encloses the forward area

A forward aircraft-style windshield is Tiara custom welded aluminum with 5 Solex tempered safety glass windows forward and 2 on the sides, hand rails & a center vent system with actuator & electric opener. 2 forward windows have windshield wipers & washers.

To port:

Forward dash features a fiberglass companionway door shroud with clear cover that has a navigation chart area & drink holders.

Passengers enjoy a forward & inboard facing L-shaped settee with cushioned bottom and back, storage and a cooler. The forward section of the L-shaped passenger seat is removable.

To starboard:

The helm area has a heads-up fiberglass tilt-away helm station with flush mounted instrumentation, twin engine controls and hydraulic steering with a 20" stainless steel destroyer type steering wheel.

The cushioned helm seat with additional back-facing cushioned seat has storage within. A footrest is mounted forward on the helm console. Recessed outboard is a dual cup holder.

- Dual VDO instrumentation includes: tachometers, volt meters, fuel gauges,

temperature gauges, hour meters and oil pressure gauges

- Electric lift to engine
- Port & starboard stereo speakers in this forward area
- Weather resistant and easy to clean surfaces here and in the cockpit
