## Overview

---

Offered for sale by an experienced owner at a price to “sell”, ALLORA has been well maintained by a diligent Captain and crew and is in prime condition for 'turn-key' cruising. Her current owner is keen to sell and all interest and inspections are strongly encouraged. Built in Italy by Azimut as one of the shipyard's 80 series, the 24.4m motor yacht ALLORA features exterior design by Stefano Righini alongside beautiful interior styling by Carlo Galeazzi. Her cherrywood and cream fabric interior creates a warm and welcoming ambiance on board and accommodates up to eight guests in four staterooms.

ALLORA boasts an extensive list of custom upgrades that set her apart from other yachts of her size. Her twin 1570hp Caterpillar engines give her a cruising speed of 24 knots and a top speed of 32 knots and her beautiful teak decks provide the opportunity for spectacular alfresco dining.

The current owner of ALLORA bought her in 2011 and updated all her electronics and soft furniture, as well as changing all the TV and Audio Systems on board. Her engines have always been serviced on time and have an extended warranty.
