SPECIFICATIONS

Overview

PRICED TO SELL! The quest to run farther, faster, and do so despite sloppy sea conditions now has a strong ally in the Triton 351 Express. For blue water anglers who demand fishability yet seek comfort, the 351 answers the call. This big, powerful, deep-vee sportfish is all about getting you to the fish fast, then taking care of business once you arrive. This spacious cockpit provides loads of fishing room so the crew can handle a fire drill when five rods go down simultaneously. There's also generous storage both top side and below. The clean functional forward cabin makes the 351 Express a true family fisherman and an excellent choice for overnight runs offshore.

Basic Information
