Vessel Walkthrough

The elegance and personalized craftsmanship is obvious from the moment you come aboard. The twin helm navigational cockpit is located all the way aft, allowing full-range forward and peripheral vision capability free from obstructions, which allows you the opportunity to always be aware of your surroundings. This Bavaria truly was built for comfort and world-class sailing competencies with top Garmin navigational aids stationed on each helm while the famous electrical trim control jib and main are located on the port side of both of these amazing navigational units. The sun is simply no match for the style and comfort of this unique German build with optional sun-canopy directly overhead of the navigational cockpit allowing for full relaxation with both family and friends, while you maintain a sailor's mentality for sailing in a luxurious setting. Following the handcrafted teak deck design forward you now have the option to enter the main salon. The main salon is located forward of the galley affording you the opportunity to watch your favorite television channels in an entirely air conditioned salon. The port and starboard sides of the main salon hold massive custom designed window's that maximize vision capability and bolsters an architects since of structural quality that is simply impeccable. The main salon also possesses a huge sofa that easily turns into another bed and table catering to each situational demand. The Master cabin is located forward of the main salon and holds a massive bed built for comfort, large closet space, and a personalized head that only adds value to this wonderful room for relaxation. The guest cabin is located aft of the galley and has two beds. The third cabin was customized by this Bavaria's sole owner into a storage facility allowing access to all of your most prized possessions at a moment's notice, while giving you extra storage that could easily be customized into additional closet space for more clothing, gear, and that special location for storing souvenirs from each amazing port of call that you visit.
