SPECIFICATIONS

Overview

Innovation matched with a classic-contemporary design, the perfect recipe of Ferretti Yachts 800, penciled by architect Gianni Zuccon from Studio Zuccon International Project in collaboration with Ferretti Group Engineering, the team of engineers and architects of the Group, and AYTD (Advanced Yacht Technology & Design), the research center of the Group. The result is a yacht featuring wide interior spaces, with a layout generally adopted in larger vessels, blended with catchy external lines, enhanced by the use of color, in which wide windows characterize the external design, plunging interiors into an amazing quantity of light. The external profile of Ferretti Yachts 800 features to distinguishing characteristics: the use of the bronze color for the dome and the graphic lines of windows, which alternate curvy and smooth lines with sharp 'cuts'.

Basic Information

Category: Motor Yacht

Model Year: 2011

Year Built: 2011

Country: France

Vessel Top: Hardtop

Dimensions

LOA: 81' 1" (24.71m)

LWL: 67' 9" (20.63m)

Beam: 20' 8" (6.28m)

Min Draft: 6' 3" (1.88m)

Max Draft: 6' 7" (2.00m)

MFG Length: 81' 1" (24.71m)

Speed, Capacities and Weight

Cruise Speed: 24 Kts. (28 MPH)

Max Speed: 32 Kts. (37 MPH)

Gross Tonnage: 75 Pounds

Water Capacity: 348.70710864 Gallons

Holding Tank: 356.6322702 Gallons

Fuel Capacity: 1783.161351 Gallons

Accommodations

Total Cabins: 4

Sleeps: 8

Total Heads: 4

Captain Cabin: True

Crew Cabin: 2

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Teak
