Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Layout and Accommodations

Ingenious and innovative and plenty of storage throughout... The living space on this catamaran is comparable to a monohull 30-40% longer. This Lagoon takes after the family members of longer standing, yet it has developed its own personality. With its truly original interior layout, the Lagoon 380 S2 Owners Version is the pampered model of the line. Thanks to its superb bar, the panoramic salon and galley connect directly with the cockpit. Its grand interior volume for a 38 footer veils the fast and seaworthy hulls.

The starboard hull on this Lagoon 380 is dedicated exclusively to the owner with an office and library, queen size bed, separate large shower. The head has a large medicine cabinet, mirrors, and a separate full shower that can accommodate two with comfort.

Two port side guest cabins with a central head, integral shower and vanity.

From the salon you have a 360 degree view. The galley is up, located between the salon and cockpit. Great for entertaining up to 8 guests. The glass slider locks open with a sliding window that locks open as well, providing an open venue. Comfortable standing headroom at 6'9".

Galley

The galley is up and adjacent to the cockpit, with an opening window, facilitating entertaining between the interior and exterior living spaces.

LPG Oven and 3 burner stove

12V Fridgiboat W 35 F electric refrigerator

Single Stainless Steel sink with pressurized water

Plenty of storage and counter space
