## DETAILED INFORMATION

---

### Remarks

---

Nicest and best equipped 62 on the market. Includes bow/stern thrusters, Wesmar stabilizers, 800 GRD Watermaker, upgraded MAN Common rail 800hp mains, 16kw & 12kw generators, fuel polishing, SAT TV, video camera system, Infra-red night vision system, air conditioned engine room plus many other options.

### Accommodations

---

Access to the interior of this very well equipped 62' Offshore is via a large sliding FRP and glass door from the aft deck or from the port or starboard wing doors in the pilothouse.

Starting from the spacious aft deck one enters a large beautifully decorated salon area. Forward to port of the main salon is the galley with a granite-topped counter separating the salon and galley. To starboard and up three steps one enters the pilothouse and lower helm area with a comfortable L settee, chart table, hinged ac/dc electrical panels, 2 Stidd helm chairs and an under counter subzero refrigerator. The flybridge is accessed via a staircase to starboard and aft in the pilothouse. The entire interior is appointed with beautiful teak joinery with satin varnish all accented with inlays.

Custom interior upholstery and upgraded carpets offer further enhancement to the custom nature of this special Offshore 62'.

The main salon features a comfortable U shaped settee to port, a high/low crank cocktail/dinning table with removable end leaves that can easily accommodate six for dining, 4 custom wall sconces, roman shades on all the windows, custom window valances, a 32" Panasonic flat screen T.V. and two upholstered barrel chairs with built-in ottomans that have storage. All salon windows, as well as those throughout are custom tinted. Forward and to starboard one finds an additional built-in cabinet offering a phenomenal sound system with Denon, Sony, and Pioneer equipment, and an abundance of storage.

The galley has ample granite counter space and storage cabinets that along with the full extension Formica lined drawers have full extension pull out shelves. There is a full size side-by-side refrigerator with water and ice in the door; trash compactor, 4-burner 220-volt electric cooktop, a real full-size oven and a Franke s/s sink with food eradicator.

She hosts a three stateroom interior layout with owner's full beam master stateroom with private access staircase starboard side amidships from the main salon. The full size washer and dryer are located at the bottom of the master access stairs. A staircase forward to starboard in the pilothouse gains access to the forward VIP cabin and third guest stateroom to port and the day/guest head with a large shower.

---

## Galley

---

The galley is separated from the main salon by custom cabinetry with raised shelf and storage cabinets above. Facing aft in galley your culinary delights may be prepared on the custom black Granite countertops with recessed Franke sink that has a food eradicator. Below the countertop, you will find an abundance of storage in cabinets with full extension pull out shelves and Formica lined drawers. Forward one finds an adequately sized counter space with a flush mounted upgraded Miele 220 volt four-burner cook top with fiddles. Just below the cook top is GE full size Profile oven and above is a built-in convection/microwave oven with a built-in exhaust hood. Next to the stove is a full size GE Profile side-by-side refrigerator/freezer with ice and water in the door. The flooring is Teak with Ebony inlay.

---

## Pilothouse

---

The Pilothouse features a L shaped settee aft with a custom high/low table, two Stidd helm seats, Sub Zero refrigerator, overhead hatch, doors to port and starboard to access the wide walk-around side decks and a beautifully appointed command center at the helm. To starboard is an additional storage cabinet with built-in wine cooler. One will find everything they need for comfortable operation of the vessel as well as comfort at rest.

---

## Electronics & Navigation

---

---

## Master Stateroom

---

The Master Cabin amidship and full beam hosts a King athwart-ship berth with custom fabric headboard framed in teak. Custom bedding and linens encompass this room's beauty. A custom bookshelf sits above the headboard with reading lamps outboard on both sides and above the built-in nightstands. There is an emergency escape hatch with a drop down ladder over the bed that opens into the pilothouse. Large Cedar lined hanging lockers (one is full length) fill the aft bulkhead and drawer storage split the forward bulkhead with mirror above. For entertainment, there is a flat panel 20" Sharp TV, stereo speakers and a built in DVD player.

---

## Master Head

---

The ensuite head is located forward and starboard of the entrance door. The head hosts a stall shower forward. Magnificent custom Marble make up the shower seats and all vanity countertops throughout all heads. Teak soles have Holy inlays. Custom teak cabinetry above and below the vanity allow for an abundance of storage for all sundries. Both master and guest heads are serviced by a Head Hunter system with the master head featuring a bidet.

---

## VIP Stateroom

---

The VIP Guest Stateroom is down and forward from the pilothouse and hosts a queen walk around berth on centerline with built-in drawer storage and Cedar lined hanging lockers on port and starboard. There is additional storage on both sides forward of the hanging lockers. The

built-in for the 15" Sharp flat screen TV is located starboard on the aft bulkhead.

---

## Guest Stateroom

---

The third stateroom is located on the port side and aft of the VIP and hosts single upper and lower berths. The built-in for the 15" Sharp flat screen TV is located starboard and forward. There is ample hanging locker and drawer storage.

---

## Guest Head

---

The guest head is shared by both forward cabins and is easily accessed through the forward walkway making easy access for a day head. A stall shower with a Custom Marble seat is flanked by a well-appointed custom Marble vanity with storage above and to the sides.

---

## Aft Deck

---

Step on the custom step plates and down the Marquipt movable step to enter the aft deck. On the port side one finds an electric BBQ, s/s icemaker, deep sink with hot & cold fresh water and a storage area. On the starboard side is the ladder to the boat deck and an aft control station with bow/stern thruster and engine controls, rudder indicator, helm wheel and a forward looking video screen. There are two storage compartments, dive tank rack and transom door to a very large swim platform that also has wet storage and an integral swim ladder.

Engine room access is from a hatch just aft of the salon door or through the lazarette plus an emergency exit in the galley floor.

---

## Deck & Hull

---

The Aft Deck has an aft station with engine controls, bow/stern thruster controls, rudder position indicator and steering as well as VEl cameras that give a full aft view making for simple docking.

The hull coloring is "Offshore White", with contrasting tan low glare molded in non-skid decking and a green boot stripe. The 3' optional boat deck extension with stiffener beam with rail at boat deck hatch to cockpit ladder was also added. Fresh, salt, hot and cold water hook-up and wash-down two aft deck plugs and 50 amp power cords, TV/Telephone hook-up, under water lights, tons of storage under swim platform, two engine room cameras, removable Rupp Outriggers. There is a seat on the on the forward deck and port/starboard midship boarding gates.

---

## Flybridge

---

The spacious flybridge is easily accessed from the pilothouse or the large aft deck hatch. The optional custom hard top was also added. To starboard is a custom storage cabinet with countertop/bench arrangement housing a fresh water sink and built-in refrigerator and icemaker. With cushions on top and a convertible backrest, this makes for a wonderful forward facing lounging space. To port and aft is a large settee with two teak trimmed Granite pedestal tables. Forward are two Pompanette helm seats at the upper steering station. Located aft is the boat deck with a "Scout" FRP hull, 14'5" center console, with a 40hp 4 stroke Yamaha, Marquipt 1,500lb Davit, a custom Marquipt stainless steel fender rack with 7 built-in rod holders, and custom built-in large Frigabar refrigerator/freezer, Zodiac 6 person life raft, EPIRB.
