SPECIFICATIONS

Overview

The owner lives in California. He took this yacht in trade when he sold his 85'Choie Lee. He wants to sell this boat. The boat was out of the water 5/29/14 for bottom paint and other cosmetic repairs. The interior and the fly bridge have been updated with marble, hardwood and teak in May 2014. This 3 bedroom for owner and guests, plus crew's quarter's yacht, is ready to go and most of it is new.

Quantum Leap is a 1984 production model Azimut 60' Solar motor yacht of fiberglass reinforced plastic construction. The hull is a hard chine planning form. Motive power is provided by two M.A.N 850 hp diesel engines.

Accommodations below deck forward comprise an Owner's stateroom with pedestal bed and en-suite followed by a double quest stateroom, a single guest stateroom and head compartment. The deck house comprises a lower helm with galley followed by a dinette. The salon is aft which opens to the cockpit. There is a bridge. Crew quarters are in the bow accessible by a foredeck hatch. The interior is tastefully finished in modern materials and fabrics with bright finished oak trims and veneers. The machinery is amidships.

Overall condition is good. This is a well-constructed and well-designed vessel.

Basic Information

Category: Motor Yacht

Model Year: 1984

Year Built: 1984

Country: United States

Dimensions

LOA: 60' 0" (18.29m)

Accommodations

Total Cabins: 3
