DETAILED INFORMATION

Description

LIBERTAS is hull #5 of this successful series of semi-custom yachts from CRN. She is Cayman registered. Her main engines are completely serviced and acid flushed and 5 Year survey completed.

The design of LIBERTAS is a collaborative effort between the CRN technical team and the Zuccon International. She has an unmistakably distinctive look with features like a side opening tender garage (Tender 10,20m Lomac), gyro stabilization, and ultra-high quality appointments throughout. Most of the wood trim is a gorgeous satin-finished Canaletto Walnut with offsetting white fabrics and stainless details.

She has a spacious salon with white couches to port and starboard, glass coffee table, surrounded by beautiful cabinetry. Forward is the formal dining area that can be separated from the salon via a sliding door. All the way forward on the main deck is an impressive master cabin. LIBERTAS accommodates up to 12 guests in 5 cabins including a master cabin, a VIP, a queen cabin, and 2 twin cabins each with pullmans.

The aft deck has comfortable salon-style seating with two coffee tables. Her skylounge deck has a large dining table for up to 12 and wrap-around seating aft. The sundeck has large sunbeds, a Jacuzzi, BBQ, and dining for 8.

MTU 12V 4000 M90 engines provide speeds up to 24 knots and a cruising speed of 20 knots. Underway active fins and 5 Mitsubishi Anti Rolling Gyros (ARG MSM 4000) provide maximum stabilization. Overall this yacht is typical of the exemplary highquality work that comes from the CRN Shipyard. Each of the two 80KW Kohler generators provide sufficient power to run the entire vessel. HIN Number: 12805

Accommodations

The Master Stateroom is on-deck. Below is a central lobby which provides access to the four guest cabins. There are two VIP cabins with king beds aft and two forward staterooms with twin beds, plus a pullman. A wardrobe and sofa is located next to the door of the double guest cabins. The beds in the VIP cabins are diagonal to the center line. All bathroom flooring is marble, and in the VIP's there are double sinks with marble tops, a whirlpool tub, and sliding doors for access to the toilet and bidet. A table and vanity is in the twin guest cabins with a wardrobe on the opposite side. The twin beds are forward of the cabins separated by an ample space leading to a double wardrobe. The bathrooms have marble flooring, a sink with a marble top, a shower, and separate area with sliding door for the toilet and bidet.
