Walkthrough

The large cockpit is extremely versatile, with plenty of storage, fish boxes, tackle station, sink, and fold away jump seat. The helm station is well laid out with an additional air conditioning unit below for climate control. The helm area features a full enclosure, full electronics, and plenty of comfortable seating. Access to the engine compartment is below, via electric lift.

The main cabin is access via a sliding hatch. There are 3 steps down into the salon. The salon is finished in rich teak and luxurious fabrics. There is a large convertible u-shaped dinette to starboard, with an apposing galley to port. The large v-berth has a removable insert, making it very comfortable for two. The head and shower is just aft of the galley to port.

Interior Details

While the 31 was primarily designed for a cruising couple, up to 4 adults can be accommodated for short weekend trips. The master berth is forward with a hull-side double berth and the dinette, which can accommodate 4 adults for a meal, converts into a double berth as well in just a few minutes.

Manufacturer Provided Description

The Tiara 3100 LE Limited Edition is indeed a celebration of it's predecessor, the 3100 Open. With the hardtop and fishing options included, this Tiara will appeal to the sportsman in everyone. The experience owners have on the open, spacious and powerful 3100 LE will make trolling for the big one worth the wait. Style and function come together with the 3100's wood-crafted interior detailing and fully-equipped galley, berths and head. With a 12-foot long stepped cockpit, plenty of space is available for entertaining. Designed with port / starboard cockpit steps

for safer boarding and the trademark diamond-patterned nonskid surface from bow to stern, the 3100 LE provides both the style owners want and the safety they need for family and friends. The one-piece molded fiberglass helm tilts back for access to all electronics and gauges. Gauges, switches and controls are clustered for ease of use. The helm features over two feet of space for additional electronics. Teleflex hydraulic steering, Morse throttles and shifters, and VDO BlueLine gauges are all standard. Down below, the starboard settee / dinette converts to seven-foot double berth. The galley is equipped with microwave, two-burner ceramic stove, refrigerator, and sink. The forward double berth has a filler cushion, three stowage bins underneath, and a hanging locker. The portside head features a stand-up shower, sink, vanity, portlight, and a one-piece molded fiberglass liner for easy maintenance.
