SPECIFICATIONS

Overview

"Magic" is a very fine example of what many consider to be the best designed Express Cruiser built. She performs amazingly well for a yacht of her size (16' beam x 54' LOA). You can expect cruising speeds at just under 30 knots while burning less than 75 gal per hour. The cockpit on a 540 is huge and outshines all other yachts in this class.

In June 2013, Magic had (6) underwater lights (white/blue) installed, bottom paint and Algea X Fuel Polishing System installed!!!

Her interior is open and spacious. The cabinetry is made of rich, solid-stock Cherry wood. "Magic" has been serviced and maintained to yacht standards since its purchase. Size, luxury, and performance all add up to make the "Magic" a great value. Priced to sell !!!

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2003

Year Built: 2003

Country: United States

Vessel Top: Hardtop

Dimensions

LOA: 54' 0" (16.46m)
