Manufacturer Provided Description

If we did an informal survey of 230 SSi owners, they'd say unanimously that the reason they chose this boat was its styling, interior layout and impressive attention to detail. A Powerboat Magazine Boat of the Year winner, the 230 stands out with its sleek lines and safety-minded freeboard. A wide assortment of color options are available, but the real looker is the wide band option with sport graphics. Featuring a walk-thru transom, L-shaped seating, dual Duraflex buckets and a cockpit entertainment center, the 235 is setup for family and friends. Custom extras include all stainless steel hardware, color-coordinated wiring, and a self bailing cockpit drain system.

Exclusions

Owner's personal belongings.
