- Re-antifouled, cut, polished and waxed (2014).

Broker's Comments

The 37 GRAND MISTRAL HARDTOP is a sublime piece of design and craftsmanship from Windy Boats AS. The Hans J. Johnsen hull is forgiving in a seaway, yet precise, easily driven and immensely strong - giving the driver great control and confidence in the ability of this beautiful sports-cruiser.

'ALCHEMY' has the larger engine option for truly exhilarating performance, and has the classic Windy blue hull livery and blue Sunbrella cockpit upholstery to set off the teak cockpit sole.

Construction

Overall Measured Length 37'5" inc. 5" bow roller; beam 11'2"

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology. The latest technological innovation is the Wintec hull concept, which gives improved performance, greater strength and reduced noise throughout the vessel.

The hull is reinforced with advanced multi axial glass-fibre matting and Divinycell. This allows a reduction in the boats weight of up to 20% whilst offering noticeably improved stability.

All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies construction principals and more advanced construction production equipment, resulting in more cost-effective and quality oriented processes in-house. But above all, Windy is a "Boat Builder" and not a manufacturer of boats, a philosophy, which characterizes their production staff and all those within their distribution network.

Engine Configuration

- Volvo Penta – 2 x KAD 300 EDC DP (285HP).
- Engine hours: c.483 as of June 2014, engine service/outdrive oil changed, bellows checked, new clips (2014).
- Volvo Penta - EDC throttle controls.
- Volvo Penta - engine instrumentation.
- Power assisted steering.
