Overview

Offshore Workhorse with Classic Carolina Flair

Yamaha Extended Warranty til 03-29-2017

True to its sportfishing heritage, the 24' sports the legendary Regulator ride that is as soft and dry as it is reliable. Reinforced with Regulator's exclusive Fiberglass Grillage System™, the 24' can take you to your favorite destination, whether it's the canyons 80 miles offshore or that hurricane hole for a relaxing afternoon with the family. For the serious angler, the 24' is loaded with fishing features like a 385-quart forward center locking fish box with six-rod storage, 61-quart transom bait box and 25-gallon recirculating livewell. The padded leaning post with four rocket launchers and a fiberglass electronics panel for flush mounting applications top-off the extraordinary standard features. Other items for the dedicated angler include a custom tackle center located behind the helm seat; SuperSport leaning post with flip-up cushion with convenient tackle storage, four rocket launchers, and five-rod rocket launcher on the fiberglass T-top. The Regulator 24 FS is a unique center console offering fishing functionality and family appeal. The standard 5'8" enclosed head compartment with standard portable marine toilet or optional factory-installed upgrade with holding tank and overboard/dockside discharge is a feature that's appreciated by family and crew alike. Padded forward seating area is ideal for relaxing in the sun or bait rigging in comfort. Cut through the short chop on the bay or slow rollers in the bluewater with twin Yamaha F150 four-stroke engines.
