ХАРАКТЕРИСТИКИ

Обзор

Introducing *NEREUS*.....Wow! one look at the vessel's equipment list says it all! Talk about buying value.

One of the finest and most beautiful yachts produced by Nordlund Boats of Tacoma Washington. Years of planning by a very knowledgeable owner resulted in one of the best looking and best equipped Custom Built Raised Pilothouse Motor Yacht to leave the Shipyard's facility.

Nereus is a one owner vessel that has been continuously upgraded year after year inside and out. *Nereus* represents a fabulous opportunity to own a well maintained and cared for Yacht at a fraction of the cost of a new build. Why spend Millions more when you can own such a fine vessel. Mercedes Benz V-12 Turbo Diesel Engines have served these owners well as have the comprehensive mechanical and electrical components of this vessel. Just one look at the equipment list says it all.

Over the past Sixteen years, noted Interior Designer, Carol Bell has continuously updated the interior to give *Nereus* a contemporary and inviting look.

Vessel Walkthrough:

Boarding the vessel is easy and can be accomplished at either the aft port side boarding gate or the swim platform via the transom gate. The extended cockpit is enormous and is a delightful area for dining and entertaining.

The twin swing out aft cabin doors make the salon and cockpit feel open and inviting. Inside the salon is a large custom built sofa that runs athwartship and aft on the starboard side and is fronted by two custom high low tables that also serve as a dining venue or entertaining. Across to port are two custom leather chairs flanked by a custom end table. Forward is an audio video cabinet. Further forward is a built-in buffet cabinet with very ample storage.

The U-shaped galley is to starboard and features the best of the best when it comes to appliances. Refrigeration wise there is a Stainless Steel Grunert air and water cooled cold plate refrigerator.

Across the galley and forward of the built-in buffet cabinet is a private staircase leading to the spacious ensuite Master Stateroom.

Just up two steps from the salon and galley level is the expansive raised pilothouse. First up, to starboard is a wet bar with sink and a new Stainless Steel Marvel Refrigerator and Ice Maker. Outboard to starboard is a dinette with leather settee cushions that seats four with two large pullout chart drawers below. Outboard to port is an open style ladder leading to the flybridge. Forward of the dinette and on center is a custom built 3 person bench style helm seat with built-in

storage.

The lower level is devoted to staterooms (3) and heads (2). As mentioned, the master stateroom is accessed via a private staircase off the main deck level and is midship. This cabin features a walk around queen size berth and a ensuite head. Mirrored bulkheads and mirrored closet doors provide for a very spacious feel. Just outside the cabin door is an access leading to the utility area and ultimately the engine room itself.

Back up in the pilothouse, the two remaining cabins can be reached via a stairway on the port side. The VIP cabin is all the way forward and features a queen sized pedestal berth. Aft and to port is the shared guest head. Across to starboard is the guest with twin single berths.

Основная информация

Тип судна: Моторная яхта

Модельный год: 1986

Год постройки: 1986

Страна: United States

Размеры

Длина общая: 68' 0" (20.73m)

Размещение

Всего кают: 3

Корпус и палуба

Материал корпуса: Fiberglass

Информация о двигателе

Производитель: Mercedes-Benz

Модель: V-12 Turbo Charged

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Specifications

Measurements:

Fuel Tanks: (2) 500 Gal. Each (Aluminum)

Fresh Water Tanks: (3) Tanks 600 Gallons Total (Stainless Steel)

Mechanical:

Twin 550 H/P Mercedes Benz V-12 Turbo Charged Engines With Three Station Instrumentation, Pilothouse, Flybridge and Engine Room

Wesmar Stabilization

Analog And Aetna Engineerring Digital Tachometers

Twin Disc MG510A Transmissions

Northern Lights 12 KW Generator With Sound Shield

Northern Lights 20 KW Generator With Vibration Dampeners

Twin Generator Control Panels in Pilothouse and Engine Room

Sea Recovery 600 GPD Watermaker

Fuel Management System With Crossover Pipe Valves And Transfer Pump

Oil Change System For Draining And Filling

(2) Water And Air Cooled Refrigeration Compressor Systems

Electric/Hydraulic Davit

Trolling Valves On Both Engines With Electronic Controls

Dual Racor Fuel Filters With Vacuum Gauges And Water Seperators

Wagner Hydraulic Steering

Hynautic Engine Controls

Webasto Diesel Fired Boiler Heating System With Hot Water Convection and Fan Coil Units

Electric Heating System throughout entire vessel

Electric Hot Water Heater With Everhot System Via Webasto Boiler With Electric Switch Over
New House Water Pump

Vacuflow Heavy Duty Vacuum System With Power Sweeper

(2) Independent Mansfield Vacuflush Toilet Systems

New Holding tank

Automatic/Manual Halon Fire Suppression System For Engine Room And Lazerette

Electric Air Compressor

Engine Driven Emergency Bilge Pump System Connected To Six Compartments Via Manifold System

12" Wesmar Hydraulic driven (Port Engine) Hydraulic Bow Thruster

Dayton Heavy Duty 24 Volt Engine Room Blower

Flo Scan Fuel Instruments

Tank Tender Gauge For Fuel And Water

Frigidaire Washer And Dryer in Utility Room

Exhaust Fans In Both Heads

Hydraulic Mechanism For Raising And Lowering Radar Arch

Electrical:

Twin Northern Lights Generators (12 & 20 KW) With Pilothouse And Engine Room Control Panels

50 And 30 AMP Shore Power System

Two 50 Amp Cables And Two 30 AMP Cords Connected to A 50 Amp Y Transformer

4000 Watt Inverter

10 AGM Engine Start & House Batteries (2 New & 2 Three Years Old)

Pilothouse A/C D/C Panels

Independent House, Engine And Generator Battery Chargers

Flourescent A/C And D/C Engine Room Lighting

High Tech Lighting Throughout

Reading Lights In All Staterooms

Electronics:

Furuno Color 72 Mile Radar With 6' Open Array Scanner

Sony Navigation Screen With Nobeltec Charting

Big Bay Daylight Chart Plotter (Flybridge)

Furuno Stand Alone GPS Navigator

Furuno Color FCV-201 Depth Sounder

Back-up VDO Depth Sounder

Robertson AP100-DL Autopilot With Remote

VDO Wind/Speed Indicator

ACR RCL100 Quartz Searchlight

Danforth 6" Magnetic Compass

VDO Fluxgate Compass

(2) ICOM VHF Radios

Motorola CB Radio

Wired for cellular Phone

Loud Hailer Integrated With Pilothouse VHF Radio

Airphone Six Station Intercom

Custom Designed Audio/Video Sound System Consisting Of : (3) TV's, VCR/CD, AM/FM, 8 Sets Of Speakers Including Fly Bridge, Engine Room And Aft Deck With Individual Local Volume Controls.

Concealed Salon TV In Cabinet With Electric Lift Mechanism

Flybridge:

Hinged Radar Arch With Custom Built Hydraulic Hoist To Raise And Lower Arch

Bimini Top (New)

New Aft Rail Covers

Hydraulic Controls And Instrumentation

120 Volt Large Heavy Duty Quartz Flood Light

Port And Starboard Spreader Lights

(6) Deck Quartz Flood Lights

Custom Built Radar Deflector

Strobe Light

ACR EPIRB

Flybridge Wet Bar With Sink And Norcold Refrigerator

Avon 6 Man Automatic Inflatable Life Raft

Electric/Hydraulic Davit

15' Boston Whaler With New 70 H/P Yamaha Four Stroke Engine

Reconditioned Removable Powder Coated Aluminum Tender Chocks

Built-in Flybridge Seating With Storage Below Upholstered With Sunbrella Exterior Fabric

Ladder Down To Cockpit

Main Deck:

Rebuilt & Repainted Plath #4 Drum Type Anchor Windlass With 300' Of Stainless Steel Cable And 50' Of Chain
