ХАРАКТЕРИСТИКИ

Обзор

The Offshore 48 CPMY, produced from 1985 – 1999, has long been popular with boaters who have experienced the reality of life at sea. Thanks to the boat's substantial displacement, long shallow keel, low profile, and low center of gravity, the 48 offers a rock-solid ride and a high degree of directional stability. **DAKOTA SPIRIT** is powered by twin 420 horsepower Caterpillar 3126 diesels. She cruises at 17 knots and can reach a top speed of around 21 knots. Stepping onto the swim platform of **DAKOTA SPIRIT** you find a transom door to starboard which leads to the cockpit. The cockpit is practical; designed with fishing, snorkeling, and diving enthusiasts in mind. The cockpit has a door with direct access to the master stateroom. Three steps on the starboard side of the cockpit leads to the covered aft deck. This raised deck is an expansive area, perfectly suited for alfresco dining and relaxing outdoors. There is a wet bar built in which features plenty of storage. Doors on each side of the aft deck provide protection from weather and offer access to the walk around side decks.

ПОДРОБНОЕ ОПИСАНИЕ

Master Stateroom

The spacious master stateroom is located aft and is complemented by attractive teak joinery. There is a centerline queen berth. Additional storage includes cedar-lined hanging lockers, and large dresser to port. The master stateroom features a door with forward access to the salon as well as a handy door aft to access the cockpit. The master ensuite bath is roomy and offers a full size stall shower, sink with vanity, Vacu-flush head, large dressing area, as well as ample storage. The master receives natural lighting thanks to the large window aft, aft door to the cockpit, and port holes. TV & washing machine.

Guest Stateroom

The guest cabin is forward and features a walk around queen berth with storage beneath. A dressing table with two drawers below and mirror faced locker above is aft and to port of the berth with a large hanging locker aft and to starboard. Like the master, the guest stateroom can be ventilated plus allows sun light to shine through the port holes and hatches. Private door to forward head with separate stall shower.

Main Salon

The salon is accessed via the aft deck staircase or the wing doors on the port and starboard side decks. The spacious salon is finished with quality teak joinery and complimented by large windows. An L-shaped sette converts into a berth for additional guests. Hi-lo table expands out for dining convenience. The main salon also has a custom teak bar cabinet with glass and bottle holders and a U-line ice maker. A serving bar overlooking the down-galley is found on the port side of the main salon.

Lower Helm Station

Lower helm station is located in Main Salon with duplicate electronics.

Galley

The Galley is located on the port side down. The Galley offers "like home" amenities plus the storage required for extended cruising. Norcold refrigerator/freezer - AC/DC power Princess 3-burner cooktop with cover Sharp carousel microwave Teak trimmed cabinets and drawers Laminate counter top with double stainless sinks, garbage disposal, hot & cold fresh water Breakfast bar

Deck Equipment

Aft cockpit with teak gunwale, cockpit controls, cockpit shower (with hot water), transom door, and swim platform with stainless swim ladder. Cockpit has access to lazarette with a generator and watermaker. Mid-level Aft deck has a hard top with a dinghy (10'6" RIB with 15 hp Yamaha) and davit above, aft deck plexi-glass wing doors, salon entry door, and wet bar (this is a great al fresco dining area). Flybridge starboard bench seat with a Bimini top and a full enclosure.

Canvas covers for all helm and flybridge seating. Bow pulpit with anchor roller windlass controls (1) Bruce and (1) Fortress anchor.

Electronics

Flybridge electronics were completely updated in December. Flybridge: Furuno 1934 10.4 Navnet GPS plotter with 4 kW 3.5' open array radar ICOM M504 VHF, (2) new Comrod 16' antennas Raymarine 650 autopilot Raymarine Tridata depth/speed Ritchie 5" compass Lower Helm Station (Salon): Furuno 1720 GPS/plotter SGC Powertalk SSB Raymarine tridata Autopilot remote Fluxgate compass

Electrical and Mechanical

Engine hours are approximately 2500 Northern Lights 12 kW generator, 1400 hours (2) 50-amp shore power inlets (4) 8D batteries (1) 27-Series battery Reverse cycle AC/heat (3-zones) Lewmar 70-amp battery charger Maxwell 2200 windlass Ice maker Splendide washer/dryer Spectra water maker Trim tab

Исключения

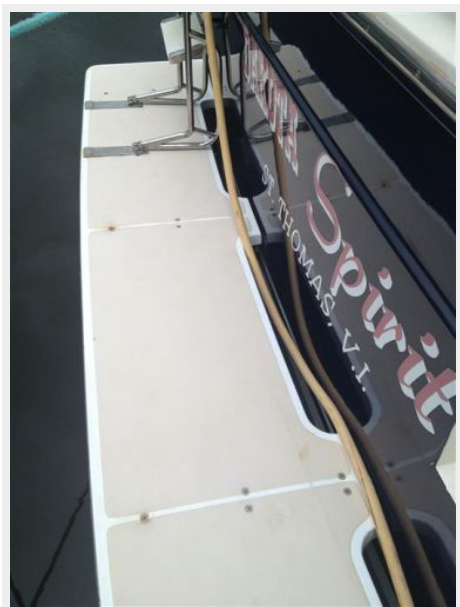

При продаже яхты исключаются личные вещи владельца.
