Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Ford

Model: 2715R

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Power Boat Guide details

The Albin 36 remains a popular boat with those who enjoy the look and feel of a trawler-style yacht and the economy of single-screw propulsion.

A handsome design with a classic trawler profile, her traditional two-stateroom, all-teak interior is arranged with the galley in the salon along with a lower helm, two deck access doors, and an L-shaped convertible settee.

Both fore and aft staterooms have private heads, and there's a tub/shower combination aft.

Construction is solid fiberglass, and a full-length skeg protects the running gear. Topside, the flybridge will seat six and comes with a fold-down mast and boom.

Finished with an abundance of exterior brightwork, the teak decks, rails, cabintop, doors, and hatches all add much to her appearance.

Additional features include a teak parquet cabin sole, a bow pulpit and a teak swim platform.

Exclusions

Owner's personal belongings.
