SPECIFICATIONS

Overview

If you are looking for a top condition, affordable, manageable, personal sized yacht that outperforms the competition *VOYAGER* is your boat. She is standing tall and ready for her next owners to move aboard and go. She is perfectly positioned to do some great summer/fall northern cruising or even to “Reverse Loop” your way back to Florida for next winter. Don’t miss this opportunity.

Hull Material: Fiberglass

Hull Designer: Bill Garden/Greg Marshall

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3406E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Introduction

VOYAGER is a Fresh Water yacht in outstanding condition as a result of exceptional ownership throughout her history.

The current owners purchased her in May 2007 at the end of one of those southern winters and immediately moved her to Chicago where she has spent the last 8 years in Fresh Water during the summers and Inside Heated Storage each winter. She will be launched in a few weeks for the season, and will move to her slip in Chicago after which she will be available for inspection. Recent upgrades include new soft goods in salon and pilothouse. Her mechanical services have been kept up to date with CAT extended warranties. This winter all mounts for the generators and main engines were replaced, the bow thruster was removed and sent to the manufacturer where she was rebuilt and the stabilizers were serviced. She sparkles everywhere you look from stem to stern and bilge to FB making **VOYAGER** a true “Turn Key” yacht. She is bright and airy above and below decks and offers better, more comfortable and accessible accommodations for owners and guests than other boats in her size and class due to her two lower berths in the 3rd stateroom. This stateroom also has a 3rd head with a private entrance and separate stall shower. This head also serves as a day head via a companionway entry. **VOYAGER’s** laundry is in the crew area which has accommodations for two.

All this comfort and convenience is available aboard one of the best riding and sea keeping hulls available today. **VOYAGER** is soft and steady at all speeds in any sea condition and direction including following seas and she cruises faster and more efficiently than other yachts in this class due to her clean, uninterrupted underbody.

If you are looking for a top condition, affordable, manageable, personal sized yacht that outperforms the competition **VOYAGER** is your boat. She is standing tall and ready for her next owners to move aboard and go. She is perfectly positioned to do some great summer/fall northern cruising or even to “Reverse Loop” your way back to Florida for next winter. Don’t miss this opportunity.
