Overview

We are extremely pleased for the opportunity to present "WATERMARK"! She is offered for sale by her original owner after enjoying only occasional use during several New England summers. Delivery commenced in 2010 and since then just 255 hours have been logged on the engines. She has been shed stored in the off season thus commonly in use from June through September. The boat has never been fished with use limited to the waters of Long Island Sound and the adjacent Islands. She is an exceptional example of this very successful Hatteras model. The 54 was refreshed in 2007 with many enhancements vs. the earlier boats including Mezzanine deck with comfortable seating, enhanced storage and features. Other engineering improvements include cockpit engine room ventilation system keeping the sea environment out of the machinery. Also underwater exhaust virtually eliminating smoke and odor around the cockpit and reduced draft. She's known for an exceptionally soft dry ride while maintaining excellent performance and economy stemming from her advanced hull design. The cockpit; among the largest in the class is beautifully finished with Teak decking, covering and coaming boards in the true Carolina style. The flybridge is large at 150-square feet and offers fantastic forward and side guest seating and beautiful Release Marine Teak ladder back seats accenting the custom style Teak helm pod. All capped with a custom J&J Marine molded FRP half tower with painted out "White" finish.

Due to her light use and conscientious care "WATERMARK" is in exceptional condition and must be seen to be appreciated so don't hesitate to arrange your visit.

Basic Information

Category: Motor Yacht

Sub Category: Convertible

Model Year: 2008

Year Built: 2008

DETAILED INFORMATION

Vessel Overview/ Description

We are extremely pleased for the opportunity to present “WATERMARK”! She is offered for sale by her original owner after enjoying only occasional use during several New England summers. Delivery commenced in 2010 and since then just 255 hours have been logged on the engines. She has been shed stored in the off season thus commonly in use from June through September. The boat has never been fished with use limited to the waters of Long Island Sound and the adjacent Islands. She is an exceptional example of this very successful Hatteras model. The 54 was refreshed in 2007 with many enhancements vs. the earlier boats including Mezzanine deck with comfortable seating, enhanced storage and features. Other engineering improvements include cockpit engine room ventilation system keeping the sea environment out of the machinery. Also underwater exhaust virtually eliminating smoke and odor around the cockpit and reduced draft. She’s known for an exceptionally soft dry ride while maintaining excellent performance and economy stemming from her advanced hull design. The cockpit; among the largest in the class is beautifully finished with Teak decking, covering and coaming boards in the true Carolina style. The flybridge is large at 150-square feet and offers fantastic forward and side guest seating and beautiful Release Marine Teak ladder back seats accenting the custom style Teak helm pod. All capped with a custom J&J Marine molded FRP half tower with painted out “White” finish.

Due to her light use and conscientious care “WATERMARK” is in exceptional condition and must be seen to be appreciated so don’t hesitate to arrange your visit.

Arrangement and Interior Details

The cabin arrangement is the standard 3 cabin, 2 head with amidships master w/ island queen & en-suite head w/ shower stall. There is a bunk guest cabin to starboard adjoining the guest head w/ stall shower and VIP stateroom forward with Island queen also adjoining the guest head. The interior throughout is Cherry with Hi-Gloss finish, Whisper Wall wall coverings & headliner in “Cachet Ecru” and “Cashew” color carpeting. Her custom interior décor is beautifully orchestrated including designer fabrics, upgraded Raised Panel solid Cherry locker doors, Granite Galley & Head counters, and numerous enhancements to the standard specifications. Please review the listing details carefully to fully appreciate the time and effort that went into building this special Hatteras.

Salon

The salon is very comfortable with large overstuffed L- sofa w/ storage and custom Cherry cocktail table. A 42” Plasma TV is built into the starboard cabinetry and Hunter Douglas Duette blinds on all windows help control the climate. The upholstery, throw pillows and other décor are

very tasteful and pleasing. • Cockpit Door, hinged Painted Aluminum with Glass Panels and SS Threshold • Décor Lounge sofa custom with rod storage, loose cushions, arm rests and double needle stitching- Upholstery, "Destiny Wheat" Ultraleather • Décor-Bulkheads Cherry with High Gloss Varnish finish • Décor-Cabinet Doors in Galley and Salon - Solid Cherry wood Raised Panel • Décor-Carpet Runners- Salon & Companionway- Toast Sunbrella • Décor-Carpeting, Fabrica "Cashew" • Décor-Headliner Whisper Wall • Décor-Salon/Galley Blinds, Hunter Douglas, Applause Duette with E1-402 Pearl with Easy Rise • Décor-Throw Pillows, Salon/Dinette (7) • Electric panels behind Solid Cherry Raised Panel door • Entertainment 42" Plasma TV w/ Satellite antenna and receiver Salon STBD Side) • Entertainment center including , Denon AM/FM "surround sound" stereo receiver with DVD/CD player behind doors • Entertainment Stereo speakers, Polk • Fluted wood valances over frameless fixed windows with AC Ducts and Duette blinds • Ice maker, U-Line in cabinet • Light fixtures in overhead, AC dimmable • Outlets, AC Duplex & Telephone • Salon Cocktail Table, 24 X 24 X 18" High With 2" Overhang • Smoke and CO detector

Galley/Dinette

The Galley is well equipped with four under-counter drawer style refrigerator and freezer units, four burner flush cooktop and convection microwave oven concealed behind the solid Cherry Raised Panel door. Storage is abundant as every nook is cleverly utilized. The forward bulkhead is custom treated with full Granite. • Appliance - Garbage disposal • Appliance - AC under-counter refrigerator and freezer drawer units • Appliance - cooktop AC four-burner ceramic • Appliance - Microwave/convection oven covered by cabinet door • Cabinets 6 w/ Solid Cherry Raised Panel Doors • Cherry inserts to match interior finish on appliance fascia • Countertop, Dinette - Cherry Perimeter w/Bullnose Edge; Center Of Mappa Burl w/Compass Rose Cherry Inlay • Countertops Galley Colonial Dream With Bullnose Edge • Dinette Upholstery - Brunschwig And Fils Acadia Woven Texture, Color: Marine • Drawers [6] in galley fascia • Drawers above sink deep gliders in custom Granite backsplash • Electric water level gauge • Flooring, Galley, Amitico 2 1/2" Strips Teak and 1/4" Strips Beech • Galley Faucet Franke 600 Series In Brushed Chrome • Light fixtures, AC and DC, dimmable • L-shaped dinette with storage under seat • Outlets AC duplex GFI • Sink Franke #37-998 Stainless under mounted

Master Stateroom

The wall and bulkhead treatments in this cabin are custom using Cherry surfaces in lieu of Whisper Wall and mirrored surfaces resulting in a warmer upscale appearance. The headboard is custom as are the sconces above the nightstands. • Air conditioning dispersed through fluted valance • Berth Queen HMC Custom Mattress w/upholstered headboard and cedar-lined storage underneath accessed via pneumatic cylinders • Spread, throw pillows, pillows, pillow shams, mattress pad and sheets • Bowed dresser with drawers and cabinet • Bulkhead Aft Finished in Cherry wood in lieu of Vinyl • Bulkhead Inboard, Finished in Chery wood in lieu of Std. Plexi Mirror • Carbon monoxide & smoke detector • Concealed pocket door from companionway • Décor - Bunkcover Queen, Bordeaux Plaid; Blue Camel; Throw Style w/Gusset Corners

- Décor - Headboard, (Charles Osborne) Dallas, Blue/Gold; 54"W • Décor - Pillow Shams,(2) Queen - 2 1/2" Flange w/Square Quilted Center & Cording • Décor - Throw Pillow, (3) 20 X 20
- Entertainment - DC AM/FM stereo receiver with CD/DVD player and eight disc CD changer
- Entertainment - Polk stereo speakers • Entertainment - TV, 20" LCD in Cherry built in surround
- Full-length mirror • Hanging locker Cedar Lined w/ doors, shelf and automatic light • Hull siding Finished Cherry Wood in lieu of Vinyl • Light fixtures - AC and DC, Dimmable • Light Fixtures - DC low-voltage lights behind valance • Light Fixtures - Wall Sconces (2) Now And Then Designs, White Shade w/ Fluted Chrome Base over nightstands • Nightstands with drawers
- Outboard storage cabinets • Outlets, AC duplex, telephone • Polyform mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets • Private access door to head with door stop

Guest and Stateroom (Starboard)

- Side-by-side twin berths with storage underneath outboard berth via pneumatic cylinder
- Mattresses Polyform w/ spreads, throw pillows, pillows, pillow shams, mattress pads & sheets
- Hanging locker with doors, Double cedar-lined w/ shelf and automatic light • Air conditioning dispersed through fluted wood valances (SMX bow compartment controlled) • Carbon monoxide & smoke detector • Décor - Aft Bulkhead Cherry wood in lieu of Std. Plexi Mirror • Décor - Berth Base & Berth Keeper, Hatteras Wheat • Décor - Bunk covers Twins & Pillow Shams, Red & Blue Plaid • Décor - Cornice, Fluted Finished Wood • Décor - Padded Panel Hull siding, Soffit & Inboard Bulkhead, Whisper Wall Cachet Wheat • Full-length mirror • Light fixtures, AC and DC
- Nightstand with drawers • Outlet, AC duplex • Polk stereo speakers with volume control
- Private access to head with door stop • Vacuum unit, one outlet

Guest Stateroom (Bow)

- Berth Queen-sized tapered with upholstered headboard and cedar-lined storage underneath accessed via pneumatic cylinders • Mattress, Polyform w/ spread, throw pillows, pillows, pillow shams, mattress pad and sheets • Private access to head with door stop • Cedar-lined hanging/storage lockers with automatic light • Nightstands with storage accessed by hinged lids, port and starboard • Overhead hatch Screened with privacy cover • Entertainment - DC AM/FM stereo receiver and CD player with Polk stereo speakers • DC low-voltage lights behind valance
- Full-length mirror • Light fixtures, AC and DC, Dimmable • Carbon monoxide & smoke detector
- Outlets, AC duplex • Air conditioning dispersed through fluted wood valances, port and starboard SMX controlled • Washer/dryer • Linen storage • Décor - Cornices, Fluted Finished Wood • Décor - Forward Bulkhead Cherry wood in lieu of Plexi Mirror • Décor - Headboard, Moore & Giles, Novasuede "Cane" • Décor - Throw Pillows (1) 20x20" • Décor - Bunk cover Queen, (Kravet) Corsica Silk Sapphire; Throw Style • Décor- Pillow Shams, (2) Queen With Channel Quilted Center • Décor - Art Work, City Art Gallery, Oil on Canvas

Master Head and Guest Head

- Stall shower with seat, door and automatic enclosed sump pump • Countertops Granite with solid-surface backsplash, side splash and integral sink over Cherry storage cabinet with bowed fronts Linen storage cabinets [master] • Storage cabinet with mirror • Flooring Amtico vinyl-strip
- Hardwood base boards • Pocket Door Starboard Stateroom, Custom • Headhunter freshwater toilet • Décor - Backsplash Areas Finished in Wood Under the Upper Cabinets • Décor - Sinks, Kohler Caxton White Under mount Porcelain • Décor - Countertops Brown Waves Cross Cut Granite with Bullnose Edge. • Décor - Heads (2), Amitico 2 1/2" Strips Teak and 1/4" Strips Beech • Décor - Master Head Wall covering -- Seabrook Kagoshima. • Décor - Starboard Head Wall covering, (Seabrook) Dp0672w Kagoshima. • Towel bar • Screened overhead ventilator hatch with privacy cover • DC low-voltage lights under toe kicks (master head only) • 120-volt AC air freshener blower • Air conditioning discharge • AC and DC light fixtures • AC duplex outlet
- Holding tank 3/4 full indicator lights

Flybridge

- Painted FB Ladder w/ Teak treads- • Half Tower w/ Painted "White" Frame and Molded FRP Hardtop • Extended Aft End of Hardtop 6", Mold in (3) 4" x 6" 24-volt Lights • Molded in LED Coast Guard Approved Running Lights • Integrated Painted Stern Rail with (9) Rod Holders
- Rupp Standoffs (2), Pipe Welded to Frame, No Base • Lights, (6) Recessed Lights in Hardtop, (2) Red or Blue and (4) White Wired • Strataglass Three Sided Enclosure Track to Track on the Front (EZ2CY) & Two Sides • Strataglass, Three Piece Backdrop. All Enclosures have 2 U-zips, (1) Forward, (1) Aft • Twin Murray Sea-19 adjustable Teak helm chairs with stainless-steel hardware and footrest, and backing plate • Teak Varnished Pod console with custom wheel and single lever clutch and throttle controls (electronic) with emergency backup and electric trolling valve control switches • Power-actuated electronics console • Control station with all necessary switches and dimmable lighted instrument panel • Systems monitor with visual and audible signals for engines and gears, steering cooling pump, high bilge water, fire warning in engine compartment, fire extinguisher discharge, and AC power loss. • Freshwater Connection on Flybridge for Tower Wash Down • Two bench seats with removable vinyl-covered Polyfoam cushions and storage underneath • Additional storage areas beneath athwartships seat and console • Rod storage space in port bench seat • Top-loading insulated drink box • AC weatherproof receptacle

Helm and Navigation Electronics

- Varnished Teak Helm Pod w/ Custom Steering Wheel • Hatteras Vessel System Monitor
- Hatteras System Switch and Breaker Panel • CAT MPD Displays and Engine Synchronizer and Feature Control Pad • Raymarine E150 Hybrid Color Displays (2) • Raymarine Open Array 30 mile Radar Antenna • Northstar 60001 GPS/plotter • Simrad AP26 Autopilot • Furuno RD-30 Remote Data Display w/ Depthfinder Transducer • Raymarine ST60+ Wind • Icom M-604 VHF w/ Remote Mic. • SidePower Thruster Controller Bow and Stern Thruster Integrated, Thruster

Breaker • QL Trim Tab Controller • ACR Remote Spot Control Panel • Hydraulic power-assisted steering • Compass with dimmable light • Electric fuel level gauges • DC AM/FM stereo receiver with CO player and Polyplanar speakers • SIRIUS Sat Radio receiver • 24-volt DC distribution panel • Sat TV Antenna on Hardtop • VHF Antenna on FRP Mast • Cockpit Flood Lights (3) 24V DC

Cockpit

- Molded fiberglass, 126 square feet including 13 square feet of seating • Mezzanine Deck w/ Seating, Cushions – Sunbrella Blue/Navy Stripe (2014) • DC overhead lights under flybridge overhang • Hinged glass door to deckhouse • Hatch with chrome plated brass lock to engine compartment • Bait and tackle drawers, upper starboard mezzanine • 5.4-cubic-foot bait freezer, port mezzanine • Bait and tackle drop-in box, lower starboard mezzanine • Two 14-gallon storage tubs, lower port mezzanine • Removable 80" fish box with macerator, flush in deck
- Storage in steps to deckhouse with chill box in top step • FB ladder w/ Teak treads to flybridge
- Painted "White" aluminum • Transom door • Teak Coaming Boards, Shaped, Natural Finish, Carolina Edition • Teak Cockpit Sole, Natural Finish, Carolina Edition • Teak Covering Boards, Natural Finish, Carolina Edition • Teak Mezzanine Decking • Aluminum mounting plate laminated in deck for fighting chair • Port and starboard hatches to lazarette and fuel tank connections • Scuppers in cockpit and cockpit hatches, ISO standard • Shore cords 240V 50 Amp AC (2) Glendenning Cablemaster Retractable • Seawater and freshwater wash down outlets with Hatteras patented quick disconnect • Shore water connection with pressure-reducing valve and Hatteras patented quick disconnect • Polished stainless-steel rod holders, flush mount, set of 4 • Teak Ensign Mast w/ Ensign and receptacle in Covering Board • Fiberglass cockpit boarding step box with storage • Cockpit Coaming lights • Prep for Cockpit Ice Machine
- Telephone/CATV inlet • Polyplanar stereo speakers with volume control

Electrical Systems

- AC 240-volt AC 20-gallon electric water heater under Master bunk • AC 240-volt 50-amp (2), transformer-connected retractable shore cords with over-current protection and Wireless remote control • AC and DC light fixtures • AC dimmable lights • AC distribution panel with magnetic circuit breakers • AC duplex outlets with ground fault protection • AC Ground fault protection on receptacles and lighting circuits • AC switching panel with voltage source selector switches, volt meter, ammeter, frequency meter, generator start/stop controls, interlock selector breakers and voltage boost switch • Air conditioning, 43,000 BTU, with reverse cycle heating, with A/C compressors, individually controlled by SMX controls • Battery - control panel with fuses and isolation switches • Battery - Automatic battery paralleling system with switch at control console
- Battery - Gel/lead acid compatible 240-volt automatic/ programmable battery charger, 50/60 Hz
- Battery - Two 24-volt banks of heavy duty, 12-volt marine batteries mounted in fire-retardant fiberglass boxes • DC distribution panel with magnetic circuit breakers • DC distribution panel with magnetic circuit breakers (engine compartment) • DC electronics panel with magnetic circuit breakers (bridge) • DC Navigation lights • Bow Thruster 24V DC Sleipner Side Power • Stern

Thruster 24V DC Sleipner Side Power • Systems monitor with programmable logic controller readout. visual and audible signals for engine, alternator, high bilge water, fire warning in engine compartment, fire extinguisher discharge, AC power loss, smoke detectors, battery voltage, 3/4 full holding tank monitor and carbon monoxide detectors • TV Omni-directional TV antenna • TV Telephone and CATV shoreline cords, one each • TV Telephone/CATV inlet • Wiring - U.L. 1426 listed boat cable, tin-coated with insulation

Engine Compartment and Bilge

- Engines CAT C-18 Twin diesel, freshwater-cooled main engines With electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and water strainers • Engine - Start and stop switches and hour meter • Engine - Digital monitoring for main engines in battery panel • Generator - 21.5kW freshwater-cooled Electronic Quiet Diesel Onan generator with shock mounts, seawater strainer, remote start, fuel/water separator, hour meter, water lift muffler and sound enclosure • Variable-speed forced air induction system for engine combustion air with two 15" vane axial fans ducted to cockpit and controlled by pressure and temperature • DC exhaust blowers • Air conditioning compressors and pumps, AC • Bilge and sump pumps 24-volt DC: three at 3700 gph, two at 2000 gph and four at 1100 gph, with heavy-duty float switches and protective guards • Bilge pump Auxiliary emergency , 150 gpm in lazarette Bronze/chrome-plated ball-valves through bolted in solid fiberglass on all underwater through-hull fittings with electrical bonding throughout • DC 24-volt oil changing system for engines, gear and generator with Hatteras patented quick disconnect • Fire extinguishing system for engine compartment FM200 fixed with automatic and remote manual controls, plus audible and visual discharge signals • Fuel - Electric fuel transfer system with filtration and dry tank protection for pump • Fuel filter/water separator U.L. Marine-listed , generator • Fuel filters/water separators U.L. Marine-listed duplex with bypass manifold, engines • Fuel lines United States Coast Guard type AI U.L. Marine-listed • Fuel Tanks U.L. Marine-listed fiberglass constructed with fire-retardant resin and bronze fittings, and coated with fire retardant paint • Lighting - AC fluorescent lights • Lighting -DC lights • Sea chests Isolated discharge • Sea chests Pick-up • Sewage holding tank with 24-volt DC sewage pump, plumbed for dockside pump-out, with 3/4 full display and alarm as part of systems monitor programmable logic controller • Shower sump Sealed • Steering tie bar 1" stainless-steel with pivoting self-aligning ball joint connection at all cylinder and tie bar connections • Transducer well, glycol filled • Water - Lines Polyethylene • Water - manifold with centralized shut-off valve for sinks and showers • Water - Fiberglass water tanks, constructed with bronze fittings and materials which comply with the requirements of Title 21 for food and drugs • Water - Freshwater fill hose for engines and generator • Water - Pressurized 24-volt DC freshwater pump with central charcoal freshwater filter and back-flush capabilities • Water - Seawater pressure system with DC pump • Rudder shelf Pultruded fiberglass • Painted polyurethane engine room and bilges • Rubber deck mat between engines • Insulation in overhead

Exterior Finish/Construction

The boat left the New Bern Hatteras plant entirely painted with premium Polyurethane paint which will retain its sheen far longer than Gel Coat. The boat is built using hand laid E-glass FRP laminates vacuum bagged over a PVC core except below the waterline which is solid fiberglass. Hatteras is known for building the toughest boats and utilize the best quality components available. She's built to take it and retain her integrity and value for many years. • Hull sides and superstructure laminated with PVC foam core • Hull Painted polyurethane coating "Wheat" • Superstructure Painted polyurethane coating "Cloud White" • Decks, non-skid surface, polyurethane paint with polymeric beads • Boot stripe, Painted polyurethane coating "Navy Blue" • Fiberglass stringers • Steel laminated in stringers at key locations to bolt engine mounts • Engine room bulkheads and decks of resin-infused composite construction using PVC foam core with layers of fiberglass laminate on each side • Black Mask Around Brow of Superstructure • Bow Rail Custom by J&J powder coated "White" • Solid fiberglass hull bottom • Blister-resistant vinyl ester resin in hull bottom skin coat • Polymer/copper-based anti-fouling bottom paint • Teak Transom, AwlBright finish • Teak Swim Platform

Hardware and Miscellaneous

• 2010 Novurania 360D 2008 w/ 2008 Yamaha 40hp 4 stroke outboard, cover, coast guard package • Marquipt TL2 1000 tender davit Foredeck • Chocks for Tender with tie downs, foredeck • Bow Thruster Sleipner SidePower with integrated controller • Stern Thruster Sleipner SidePower with integrated controller • Maxwell Windlass w/ SS Davit, Chain Rode w/ swivel, polished SS Delta Anchor • Polished stainless-steel anchor cleat, through-bolted in aluminum backing plate • Fresh Water Wash Down in Anchor Locker Mounted on Bracket • Prep for Watermaker • Powder Coated welded aluminum flybridge ladder with Teak steps • Powder-coated grab rails on cabin side and flybridge interior • Bow rail- powder coated, custom • Two polished stainless-steel stem cleats and hawse pipes, through-bolted in aluminum backing plate • Four polished stainless-steel spring line cleats with chafing strips, through-bolted in aluminum backing plate • Polished stainless-steel bow cleats and chocks with chafing strips, drilled and tapped in aluminum backing plate • Bow deck access to chain storage locker w/ second anchor securing bracket • Deck plates for fuel and water fills and waste pump out • Engine exhaust exits through hull bottom and transom • Heavy-duty bronze engine couplings • Manganese bronze dripless shaft and rudder seals with thrust bearing on rudder shaft • Alloy 22 high-strength propeller shafts, 3-inch, with zincs • Integral manganese bronze struts • 7-blade propellers, Nibral high performance • Stainless-steel rudders with zincs • Zincs on rudders and shafts • Interceptor trim control • Dual air/electric horn, Kahlenberg • Life ring • Life jackets (6) • Flare Kit • Mooring lines Black braided nylon (6) • Fenders Black (4) • Ships bell • Central vacuum system

Exclusions

Owner's personal belongings, artwork, loose décor items (unless listed), loose galley items, cockpit furniture. Any items not specifically stated on this listing should be considered excluded.

Exclusions

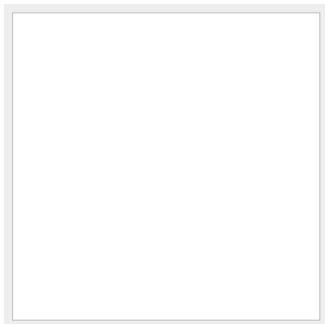

Owner's personal belongings.
