SPECIFICATIONS

Overview

This Boston Whaler is in excellent condition. Only 175 hours, must see!

The 280 Outrage is a superior fishing, entertaining and cruising vessel. Other boat manufacturers can't come close to matching the premium craftsmanship of the 280 Outrage, starting with the boat's state-of-the-art center console. It features a tempered-glass windshield with power-actuated vent, cutting-edge Mercury SmartCraft instrumentation and Raymarine displays, and a heavy-duty integrated hard-top system with floodlights and life jacket storage. An enclosed head lends comfort, and the boat's wide beam and plush seating enhance group pleasure cruises. The 280 Outrage is a bona fide sport fishing machine, too, with serious angling features such as the deluxe leaning post with bait prep area, a 40-gallon livewell, and three massive fishboxes. For those looking for a dedicated tender for their luxury yacht, the 280 Outrage answers the call. Better than a RIB, more than a dinghy, this boat serves as a tender and a memory-making platform for fishing runs and family cruises.
