## DETAILED INFORMATION

---

### Cockpit, Flying Bridge & Foredeck

---

There is a port side transom door and gate. A foldout swim ladder makes for easy boarding. The cockpit is deep and safe with wide gunwhales. There are two in-deck fish/storage boxes and raw water washdown. Lighting is located in the overhang, and there are sliding teak doors (lockable) that provide entry into the salon.

Access to the Flying Bridge is easy, by way of the stainless steel ladder. There is a full 4 sided enclosure for the flying bridge, there is also a stainless ladder leading to the "Crow's Nest" observation area on top. This is a great place to spot fish and wildlife from.

There is a single pedestal chair at the upper helm station, with bench seats flanking either side. Removable cushions for all. Full engine controls and gauges, plus a Garmin GPSMap 162 and a VHF radio, Compass, trim tabs switches, etc.

The foredeck can be accessed along either side of the cabin house with handrails and bow rails. There is an anchor windlass and a teak anchor pulpit.

### Salon & Lower Helm Station

---

The salon features a teak parquet floor. The lower helm station is located in the stbd, forward part of the salon and offers excellent visibility by way of large forward and side glass windows. The helm seat is a folding Directors Chair. There are Morse engine and transmission controls, Full engine Instrumentation, Electronics include the following:

- Auto Helm depth gauge
- Garmin 400c, color fish finder
- Lowrance Globalmap 5500c, color GPS Plotter
- Standard Horizon Intrepid VHF Radio
- Azimuth 1000, electronic compass
- JRC 3000 marine radar
- Trim tabs with position indicators
- Glendinning Engine synchronizer
- Remote spotlight

There is a storage cabinet and Chart Table in the port/forward portion of the Salon. Large floor hatches provide excellent access to the engine room and main bilge spaces.

Battery switching and the Anchor Windlass switch is located in the salon, as are reading lights and night lights. There are canvas covers for the lower windshield and side

windows.

---

## Lower Cabin Accommodations

---

Down three steps but open to the salon you will find the Galley and Dinette in the lower cabin. The 4 person dinette is along the stbd side with the AC/DC switching panel just aft of this. The dinette easily converts into a 2 person sleeper.

The L-shaped Galley is across on the stbd side of the lower cabin. Upper and Lower cabinets offer ample storage for Galley items. Appliances are as follows:

- Norcold dual voltage under counter refrigerator
- Top loading in-counter freezer
- Emerson microwave oven
- Stainless steel sink with dual lever combination faucet
- Hillerange LP gas two burner stove and oven
- Task lighting with adequate natural light and ventilation

The enclosed head and shower is located forward of the Galley. The master cabin is located in the forward portion of the vessel, with an overhead hatch, V-berth with filler and cushion, storage drawers beneath and on the stbd side.
