DETAILED INFORMATION

Vessel Walkthrough

The graceful profile and contemporary styling of the Hatteras 70 Motor Yacht is strikingly similar to the smaller 65MY with the additional length used to create a more spacious salon and an enlarged master stateroom. While most Hatteras 70 Motor Yachts were delivered with semicustom interiors, a four stateroom three head layout was standard.

On the upper level, the full-width salon of the Hatteras 70 is extravagant indeed and includes a formal dining area as well as a small aft deck. For privacy, both the galley and pilothouse are separate from the salon. Desired features include a spacious walk-in engine room, salon access to the owner's suite, and a spacious flybridge.
