DETAILED INFORMATION

VESSEL WALKTHROUGH

Entering through the salon door to starboard you will find the eye level electrical panel, entertainment center with TV and spiral staircase to the enclosed bridge. To port is a large u-shaped leatherette sofa with storage below, corner table with lamp and hi-lo coffee table. The low profile u-shaped galley is forward to port and the dinette with teak table is to starboard. Forward of the galley is a large storage/pantry room and an on-deck laundry room. The salon windows feature fabric valences and Hunter-Douglas silhouette roll-up blinds. The aft salon window features a lighted etched glass mural by Chris Channell.

Moving forward and down to the cabin area the Master Stateroom is to port. The king-sized bed is athwartship and lifts to access storage below. Aft and down is the Master Stateroom sitting area with large sofa to port, two custom teak dressers, vanity/desk with chair and a large double door mirrored cedar lined hanging locker.

Forward of the Master Stateroom is the ensuite head with oversized shower, vanity with sink, linen closet and Vac-U-Flush toilet.

Across the companionway to port is the Guest Stateroom with upper/lower berths, cedar lined hanging locker and private entrance to the Guest Head with stall shower. This head also doubles as the day head and is accessible from the companionway.

Forward is the VIP Guest Stateroom with centerline queen bed, cedar lined hanging lockers and ensuite private head with stall shower, vanity with sink and Vac-U-flush toilet.

The Enclosed Flybridge is accessed via the spiral stairway from the salon or from the outside ladder from the cockpit. The centerline helm station is forward with a Stidd helm chair and there is a bench companion seat to starboard. To port is a custom chart table with storage below. There is an L-shaped leatherette sofa with teak coffee table to port. To starboard is a wet bar with sink, bottle storage, refrigerator with ice maker and LCD TV. A door to starboard leads out to the Flybridge aft deck with helm station to port and aft facing settee to starboard. The Tower is accessed via a center ladder from the middle of the Flybridge aft deck.

REMARKS

“TACO BILL” is a 65’ Viking Enclosed Bridge model with the three cabin, three head layout and was ordered with the optional raised panel teak cabinetry throughout. She is fish rigged with a center ladder tower, outriggers, chair, livewell, bait freezers, tackle center and cockpit mezzanine seating. She is powered by a pair of 1800 hp MTU 16V-2000’s and is equipped with twin generators, watermaker, ice chipper, tender and davit. “Taco Bill” has the utility of a true dual purpose yacht and is equally ideal for extended cruising and offshore fishing.

EXCLUSIONS Owner's personal effects are excluded from the sale.

Exclusions

Owner's personal belongings.
