## Overview

---

**DO NOT MISS OUT ON A CHANCE TO OWN A HATTERAS LEGEND AND FISH CATCHING MACHINE!!!!**Great example of a very well kept , open check book Hatteras 50' Convertible. Though most of this vessels tenure was spent on the Chesapeake Bay, it has currently been equipped to fish the offshore grounds of the Mid Atlantic and Northeast canyons. M R Ducks has competed in and placed or won numerous tournaments totaling some very impressive winnings. Her current captain and long time fisherman of these grounds once stated "This boat raises fish like no boat I've ever seen." Her impressive tournament showings are ample proof of that. As stated this vessel has been continuously upgraded and maintained to the highest of standards.
