## Обзор

This blue raked beauty has only **127 hours** on her *Upgraded Mercruiser 350 Magnum / 300 HP Fresh Water Cooled* engines with Bravo 3 drives. She is a fully loaded package which offers options and features that make her a stand-alone compared to others like her in the pack. Whether you're planning a weekend of fishing, cruising, or a little bit of both this low hour package is more than suitably equipped with her upgraded fishing package and *brand new high end Raymarine* electronics package. This dual purpose, versatile cruiser features an aluminum arch with rocket launchers, four rod holders, a bait prep station with a recirculating 26 gallon livewell, seawater washdown system, a wide double helm chair and a port side back to back seat that folds out nicely to a lounge. Below decks, her cabin accommodations are a compelling blend of cherry wood cabinets, ultraleather upholstery, and designer galley features. There is a large forward berth with a privacy curtain and a mid-ship dinette that pulls out uniquely to convert to a double bunk. The mid cabin berth can be used to sleep children or to double as a large storage area. The stand-up head with shower offers a Vacuflush head and ample room. This vessel provides the best of both worlds for the family that enjoys both offshore fishing as well as cruising. Call for your easy showing today at Galati Yachts in Saint Petersburg. You will not be disappointed!
